Time For A Pure Revolution

James Alexander Robertson

Time For A Pure Revolution:

Time for a Pure Revolution Doug Herman,2004 An exciting new angle on purity that gives parents powerful and practical encouragement to motivate their teens to take a stand against the cultural norm Doug Herman explains the challenges teens face challenges of love identity and the influence of character on sexual choices and shows the critical role parents play in creating character and purity within their teens and ultimately igniting a Pure Revolution

Time for Revolution Antonio Negri,2013-06-27 Antonio Negri wrote the two essays that comprise Time for Revolution while serving a prison sentence for alleged involvement with radical left wing groups Although the essays were written two decades apart their concerns are the same is there a place for resistance in a society utterly subsumed by capitalism In the wake of the global crisis of capitalism heralded by the 2008 crash the question has never been more relevant and Negri remains an insightful and passionate guide to any attempt to answer it

Time and Revolution Stephen E. Hanson,2000-11-09 Stephen Hanson traces the influence of the Marxist conception of time in Soviet politics from Lenin to Gorbachev He argues that the history of Marxism and Leninism reveals an unsuccessful revolutionary effort to reorder the human relationship with time and that this reorganization had a direct impact on the design of the central political socioeconomic and cultural institutions of the Soviet Union from 1917 to 1991 According to Hanson westerners tend to envision time as both rational and inexorable In a system in which time is money the clock dominates workers Marx however believed that communist workers would be freed of the artificial distinction between leisure time and work time As a result they would be able to surpass capitalist production levels and ultimately control time itself Hanson reveals the distinctive imprint of this philosophy on the formation and development of Soviet institutions arguing that the breakdown of Gorbachev s perestroika and the resulting collapse of the Soviet Union demonstrate the failure of the idea
