The Old Devils

**Andrew Bruce Davidson, Stewart
Dingwall Fordyce Salmond**

The Old Devils:

The Old Devils Kingsley Amis, 2012-10-02 Booker Prize Winner A pub gathering of elderly married couples devolves into booze inflected reminiscing and complaining in this sharp and funny English comedy about marriage aging and friendship The Washington Post Age has done everything except mellow the characters in Kingsley Amis's The Old Devils which turns its humane and ironic gaze on a group of Welsh married couples who have been spending their golden years when all of a sudden the evening starts starting after breakfast nattering complaining reminiscing and above all drinking This more or less orderly social world is thrown off kilter however when two old friends unexpectedly return from England Alun Weaver now a celebrated man of Welsh letters and his entrancing wife Rhiannon Long dormant rivalries and romances are rudely awakened as life at the Bible and Crown the local pub is changed irrevocably Considered by Martin Amis to be Kingsley Amis's greatest achievement a book that stands comparison with any English novel of the twentieth century The Old Devils confronts the attrition of ageing with rare candor sympathy and moral intelligence

Father and Son Gavin Keulks, 2004-12-27 An innovative study of two of England's most popular controversial and influential writers Father and Son breaks new ground in examining the relationship between Kingsley Amis and his son Martin Amis Through intertextual readings of their essays and novels Gavin Keulks examines how the Amises work negotiated the boundaries of their personal relationship while claiming territory in the literary debate between mimesis and modernist aesthetics Theirs was a battle over the nature of reality itself a twentieth century realism war conducted by loving family members and rival antithetical writers Keulks argues that the Amises relationship functioned as a source of literary inspiration and that their work illuminates many of the structural and stylistic shifts that have characterized the British novel since 1950

Kingsley Amis Andrew James, 2013-04-18 While it has become commonplace to discount British novelist Kingsley Amis as a naive realist a mere comedic novelist even a misogynist and failed moralist Andrew James argues that Amis was seriously concerned with the role of the artist in society and explored this subject in many of his novels Throughout the first twenty years of his career Amis used bad artists as whimsical characters or antimodels that helped identify his artistic preferences and fictional techniques He became convinced that the relationship between an artist and his audience was reciprocal and that both the outer audience and the artist's inner circle must be held accountable for the production of bad literature During the last twenty years of his career Amis no longer concerned himself with satirizing bad artists but instead explored ways of ameliorating them James shows that the development of antimodels as fully drawn characters and Amis's insistence upon reciprocity in the writer reader relationship demonstrate that he was more than just a comedic writer and was aware of himself as an artist with social responsibilities The first study of Amis to analyze manuscript revisions in all of his novel drafts Kingsley Amis Antimodels and the Audience shows the more serious side of a complex writer who has yet to receive the critical recognition he deserves
