**Answering the Call** Nathaniel R. Jones, 2010-03-01 Jones a trailblazing African American judge delivers an urgently needed perspective on American history A passionate and informative account Booklist starred review Answering the Call is an extraordinary eyewitness account from an unsung hero of the battle for racial equality in America a battle that far from ending with the great victories of the civil rights era saw some of its signal achievements in the desegregation fights of the 1970s and its most notable setbacks in the affirmative action debates that continue into the present in Ferguson Baltimore and beyond

Judge Nathaniel R Jones's groundbreaking career was forged in the 1960s as the first African American assistant US attorney in Ohio as assistant general counsel of the Kerner Commission and beginning in 1969 as general counsel of the NAACP. In that latter role Jones coordinated attacks against Northern school segregation, a vital divisive and poorly understood chapter in the movement for equality, twice arguing in the pivotal US Supreme Court case *Bradley v Milliken* which addressed school desegregation in Detroit. He also led the national response to the attacks against affirmative action, spearheading and arguing many of the signal legal cases of that effort. *Answering the Call* is a stunning inside story of the contemporary struggle for civil rights. Essential reading for understanding where we are today, underscoring just how much work is left to be done. Vernon E Jordan Jr, civil rights activist. A forthright testimony by a witness to history.
