**Suburbs under Siege** Charles M. Haar, 2014-07-14 In *Suburbs under Siege* Charles Haar argues passionately that all people rich or poor black or white have a constitutional right to live in the suburbs and that a socially responsible judiciary should vigorously uphold that right For various reasons American courts have generally failed to question local zoning regulations that trap the urban poor in the squalor of inner cities away from decent housing and jobs in the suburbs No U S Supreme Court case for instance has confronted exclusionary zoning rules as *Brown v Board of Education* once attacked school segregation Instead judges at all levels have most often reinforced the residential segregation that may well destroy American society In this provocative book on the landmark Mount Laurel cases Haar shows how the N J state judiciary broke out of this pattern of judicial behavior These courageous innovative judges attracted nationwide attention by challenging the forces of affluence that ruled the suburbs and the legislature of their state Furthermore they based their reasoning on the N J state constitution in order to protect their rulings from invalidation by the U S Supreme Court In the early 1970s when the cases began the plaintiffs Ethel Lawrence and her daughter Thomasene were barely making ends meet in the Philadelphia suburb of Mount Laurel a town where their African American ancestors had lived for seven generations The Lawrences dream was to live in a Mount Laurel garden apartment planned by a grassroots reform group as affordable housing in their way stood a typical minimum acreage zoning ordinance The eventual court victory of the Lawrences and their young public interest attorneys inspired other N J suits and a process of remediation that continues to this day as judges experts special masters the state legislature and other citizens work to carry out the Mount Laurel principles Haar s book is a bold attack on conventional doctrines of the separation of powers limitations on the judicial branch and a plea that judges across the country assume their proper responsibilities for fair housing before it is too late Originally published in 1996 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

**Race, Poverty, and Domestic Policy** C. Michael Henry, 2008-10-01 *div* What explains the continuing hardship of so many black Americans A distinguished group of scholars analyzes the long complex structural and environmental causes of discrimination and their effects on African Americans The authors examine the impact of poverty poor health poor schools poor housing poor neighborhoods and few job opportunities and demonstrate how multiple causes reinforce each other and condemn African Americans to positions of inferiority and poverty Some of the contributors examine policies designed to correct problems while others look at the changing racial and ethnic composition in America and its implications for African Americans as other minorities surpass them in numbers and claim political economic and social
