Objectives and Key Results Paul R. Niven, Ben Lamorte, 2016-09-12 Everything you need to implement Objectives and Key Results OKRs effectively Objectives and Key Results is the first full fledged reference guide on Objectives and Key Results a critical thinking framework designed to help organizations create value through focus alignment and better communication Written by two leading OKRs consultants and researchers this book provides a one stop resource for organizations looking to quantify qualitative goals and ensure each team focuses their efforts to make measureable progress on their most important goals You ll learn how OKRs came to be and how leading companies use them every day to help

teams and employees stretch their thinking about what's possible, build their goal setting muscles, and achieve results that reflect their full potential. From the basic framework to a detailed dissection of best practices, this informative guide walks you through real world implementations to help you get the most out of OKRs. OKRs help employees work together, focus effort, and drive the organization forward. Key results are used to define what it means to achieve broad qualitative goals and imperatives like "do it better" are transformed into clear, measurable markers. From the framework's inception in the 1980s to its popularity in today's hyper-competitive environment, OKRs make work more engaging and feature frequent feedback cycles that enable workers to see the progress they make at work each and every day. This book shows you everything you need to know to implement OKRs effectively. Understand the basics of OKRs and their day-to-day use. Learn how to gain the executive support critical to a successful implementation. Maintain an effective program with key assessment tips. Tailor the OKRs framework to your organization's needs. Objectives and Key Results is your key resource for designing, planning, implementing, and maintaining your OKRs program for sustainable, company-wide success.

Reclaiming My Decade Lost in Scientology Sands Hall, 2018-03-01. With its keen attention to the language and tactics of the church, Hall's memoir is unique among the assortment of Scientology reports and exposes, offering insight into the certainties that its subjects gain. The Nation. In the secluded canyons of 1980s Hollywood, Sands Hall, a young woman from a literary family, strives to forge her own way as an artist. But instead, Hall finds herself increasingly drawn toward the certainty that Scientology appears to offer. Her time in the Church includes the secretive illness and death of its founder, L. Ron Hubbard, and the ascension of David Miscavige. In this compelling memoir, Hall reveals what drew her into the religion with its intrigues and unique contemporary vision, and how she came to confront its darker sides and finally escape. Some of the most penetrating, illuminating prose about how an educated and skeptical person could get so deeply into, and then struggle to escape, what everyone around her warned was a dangerous cult. Brilliant. The Underground Bunker. If it is Scientology's offer of a life with meaning that hauls her in, it is its approach to meaning that keeps her. Hall's fascination with this is palpable.
