Suffering Witness James D. Hatley, 2012-02-01 Drawing on the philosophy of Emmanuel Levinas James Hatley uses the prose of Primo Levi and Tadeusz Borowski as well as the poetry of Paul Celan to question why witnessing the Shoah is so pressing a responsibility for anyone living in its aftermath He argues that the witnessing of irreparable loss leaves one in an irresolvable quandary but that the attentiveness of that witness resists the destructive legacy of annihilation In this new and sensitive synthesis of scrupulous thinking about the Holocaust beginning with scruples about the term Holocaust itself James Hatley approaches all the major questions surrounding our overwhelming inadequacy in the aftermath of the irreparable If there is anything unique in a non trivial sense about the Holocaust surely it is the imperious moral urgency that compels those who contemplate it to revise their view of what it means to be human and to bear witness to such an event Red Cross Interventions in Weapons Control Ritu Mathur, 2017-10-24 This book explores how the International Committee of the Red Cross ICRC a leading humanitarian actor addresses the problem of weapons A triangulation of strategies such as testimonialization medicalization and legalization are investigated with the help of critical security studies literature to cultivate an understanding of an effects based approach to weapons The attempt here is not only to introduce some innovative conceptual tools but also to provide a coherent and critical narrative of the experiences of the ICRC vis vis states to regulate and prohibit weapons This experiential account of the ICRC s engagement with the problem of weapons is significant as it produces an empowering alternative discourse making visible subjugated knowledge in the field of arms control and disarmament **Missional Acts** Daniel McGinnis, 2022-01-14 What is Luke s main purpose in writing the book of Acts In this close study of the entire Acts narrative McGinnis analyzes Luke s story of the first Christians in light of ancient rhetorical conventions concluding that Luke presents his stories to strengthen the missional commitment and practice of his readers Missional Acts approaches a vast amount of varied mission content systematically dividing it into rhetorical instruction about missional stimuli structures strategies and suffering while using a body analogy to provide coherence Even the enigmatic ending of Acts intentionally advances Luke s rhetorical purposes Luke s teaching finds its culmination in the ministry of his archetypal missionary the apostle Paul whose missionary journeys are a Lukan masterclass in mission strategy with much to teach about ministry that transforms whole regions McGinnis rejects the traditional dichotomy that Paul is either a missionary or a prisoner and shows that throughout his work Luke depicts suffering as an integral part of the mission seeking to prepare his readers to face opposition of various kinds Missional Acts will help readers approach Acts in innovative ways by reading it through a primary missional lens **A Critical Companion to Steven Spielberg** Adam Barkman, Antonio Sanna, 2019-07-08 A Critical Companion to Steven Spielberg offers a comprehensive detailed study of the works of Steven Spielberg Spielberg s early productions stand as landmarks in contemporary cinema and his involvement with film spans all cinematic genres Today Spielberg enjoys an immense and enduring popularity around the globe and his

productions have attracted and continue to attract both public and critical attention This book investigates several distinct areas of Spielberg s works and addresses the different approaches and the range of topics invited by the multidimensionality of his oeuvre The eighteen chapters in this book use different methodologies offering a variegated and compelling picture of Spielberg s films from his earliest works such as *Duel* 1971 and *The Sugarland Express* 1974 to his most recent productions such as *The BFG* 2016 *The Post* 2017 and *Ready Player One* 2018
