Syria Iran:

The Syria-Iran Axis Nadia von Maltzahn, 2013-06-30 Since the Iranian Revolution of 1979 the close alliance between Syria and Iran has endured for over three decades based on geopolitical interests between the two states and often framed in the language of resistance In view of their strong relationship at a state level what have Syria and Iran each been doing to foster popular exchange and employ cultural tools to build an image in the other country The Syria Iran Axis examines the motivations content and reach of cultural diplomacy between Syria and Iran to determine to what degree the two partners have been successful in bridging their world views and political outlooks By analysing the extent to which a state directed cultural exchange can foster bilateral relations in the Middle East Nadia von Maltzahn offers a unique analysis of the formation of foreign policy and diplomacy in the region

Iran's Networks of Influence in the Middle East The International Institute for Strategic Studies (IISS), 2020-03-31 Tehran's ability to fight by with and through third parties in foreign jurisdictions has become a valuable and effective sovereign capability that gives Iran strategic advantage in the region Tehran has possessed a form of this capability since the Islamic Revolution in 1979 but its potency and significance have risen sharply in the past decade to the point where it has brought Iran more regional influence and status than either its nuclear or ballistic missile programmes The IISS Strategic Dossier Iran's Networks of Influence provides an understanding of how Iran builds operates and uses this capability Based on original field research open source information and interviews with a range of sources the dossier conducts an audit of Iran's activities in the principal regional theatres of Iraq Lebanon Syria and Yemen and its reach into Bahrain Saudi Arabia and Kuwait It includes an examination of Tehran's nurturing of groups such as the Houthis in Yemen the Badr Organisation in Iraq Hizbullah in Lebanon and Shia militias in Syria and details related to recruitment weapons supply logistics and command and control systems Iran's Networks of Influence is intended through objective fact based analysis to inform both policymakers and practitioners and to stimulate debate on the wider significance of Iran's use of third party partners and the strategic depth they afford Tehran The dossier also examines the advantages that Iran possesses through its recent experience of conflict and its ability to mobilise and deploy sympathetic Shia communities across theatres In a time of rising tension in the region the dossier looks at how Iran might further develop the use of its partnership capability and the risks and constraints it might face

Syria and Iran Jubin M. Goodarzi, 2009-04-30 The enduring alliance between Iran and Syria which came about after Iran's 1979 Revolution proved to be a feature of the Middle East's political landscape in the 20th and early 21st centuries Moreover its impact in moulding events and bringing about major changes in this troubled region proved enormously significant Jubin M Goodarzi provides us with the first in depth study on the Syrian Iranian nexus which traces the origins and development of the strategic partnership between Damascus and Tehran from 1979 until the present He argues that contrary to prevailing views due in large part to the authoritarian and unpopular nature of the Syrian and Iranian regimes the alliance between them was

conceived as essentially defensive in nature He puts forth an empirical survey with a chronology of events and analyses the key phases in the evolution of the alliance In the process he explains their significance both in terms of how they affected bilateral relations between the two states and their regional implications Through careful research and analysis Goodarzi reveals linkages between major events in the Middle East and crucial decisions that were made in Tehran and Damascus particularly ones that have been overlooked or ignored by regional analysts and scholars These include the impact of the Israeli invasion of Lebanon in 1982 and the subsequent Syrian Iranian consultations on Iran s position regarding the war with Iraq the effects of US Iraqi actions in the Persian Gulf in 1988 and Iran s moves in Lebanon against the wishes of Syria Goodarzi analyses the stability and security of this partnership and assesses its prospects for the future

Iran's Foreign Policy in the Post-Soviet Era Shireen T. Hunter,2010-05-20 A comprehensive exploration of postrevolution Iranian foreign policy analyzes the country s relations with key nations and regions and the impact of both Iran s domestic situation and the developing global system Iran s Foreign Policy in the Post Soviet Era Resisting the New International Order provides the first truly comprehensive in depth survey of Iranian foreign policy issue by issue and country by country since the Islamic Revolution To help readers understand both the what and the why of Iran s role in the world and formulate useful responses to that role the author provides a detailed analysis of Iranian foreign policy in all its dimensions The first part of the book places Iranian actions particularly its relations with the United States and other key players within the context of the emerging international system while also showing how domestic developments impact foreign policy The second part surveys Iranian relations with specific actors notably the United States and Russia and with key regions including Europe Central Asia the Arab world Latin America and Africa Providing an antidote to existing preconceptions this incisive analysis lays an analytically sound basis for shaping policies toward Iran policies with potentially high payoff in terms of regional security and stability

Iran's Rise and Rivalry with the US in the Middle East Mohsen M. Milani,2025-01-09 The 1979 Islamic Revolution triggered a cold war between Iran and the United States former fast friends Despite the US s relentless efforts at containment Iran has risen as a formidable power in Iraq Syria Lebanon Yemen and Gaza Its newfound status not only frustrates the US but has swiftly become a thorn in the side of Israel and Saudi Arabia How did Iran rise so rapidly And as it faces ever increasing pressure at home and abroad can it hold onto its power Mohsen Milani guides us through the twists and turns of the Iran US rivalry in the battlefields of the Middle East Going from the fall of the Shah to revolutionary Iran s alliances with Syria Hamas Hezbollah Iraqi militias and the Houthis in the Axis of Resistance Milani lifts the veil on Iran s foreign policy strategy and its implications for the region the US and Iran itself

Syria and Iran Anoushiravan Ehteshami, Raymond A. Hinnebusch,2002-01-31 The experienced authors provide an innovative study of Iranian and Syrian foreign policy showing how the policies can be understood through the realist and rational actor frameworks

Syria and Iran Ḥusayn Āghā,Aḥmad Sāmih Khālīdī,1995 Iran and Syria at the Crossroads Jubin Goodarzi, Woodrow Wilson

International Center for Scholars,2013 The alliance between Iran and Syria has been an important and persistent feature on the political landscape of the Middle East for more than three decades The eruption of the Syrian uprising in the spring of 2011 has presented the greatest challenge to the survival of the Tehran Damascus nexus Does this signify the end of the partnership This article provides a brief overview of the relationship and a detailed analysis of the evolution of Iran s policies perspectives interests and options in the ongoing Syrian crisis **Iran** Anthony H Cordesman,Ahmed Hashim,1997-02-06 Cordesman provides a net assessment of the political economic energy security internal and external and military trends in Iran Between Russia and Iran: Room to Pursue American Interests in Syria John W. Parker, *The Middle East* ,1997 **The Echo of Iran** ,2008 Iran-Contra Lawrence E. Walsh,1994 *Women and Missions* Lucia P. Towne,1934 *Iran's Race for Regional Supremacy* ,2008 *Turkey-Iran Relations, 1979-2004* Robert W. Olson,2004 The author emphasizes that in addition to the Palestine Israel conflict the significance of the oil and gas resources of the Middle East and the U S and British occupation of Iraq relations between Turkey and Iran are vital to understanding the politics of the Middle East and the future of the region BOOK JACKET *Index: Foreign Broadcast Information Service* ,1995 **Official Export Guide** North American Publishing Company,1992 *The Cambridge Ancient History* John Bagnell Bury,Stanley Arthur Cook, Frank E. Adcock,Martin Percival Charlesworth,Norman Hepburn Baynes,1928 *Economic Conditions in Palestine* Great Britain. Dept. of Overseas Trade,1927
