*Aircraft Piracy, International Terrorism* United States. Congress. House. Committee on Public Works and Transportation. Subcommittee on Aviation,1979      **Terrorism Detention Powers** Great Britain: Parliament: House of Commons: Home Affairs Committee,2006-07-03 This report considers the police case for an increase in detention powers in respect of terrorism suspects in particular their support of 90 days pre charge detention It looks at the background both existing provisions changes in the Terrorism Act 2006 and the origins of the police case the terrorist threat whether its nature has changed and alternatives to longer detention and judicial oversight and detention periods Although the Committee can find no evidence to suggest that 90 days pre charge detention is essential they think that 28 days might prove to be inadequate Because of this they recommend the creation of a committee independent of Government which will review the pre charge detention period each year and make recommendations when necessary      *Aircraft Piracy, International Terrorism* ,1979

**The New Explosion of Terrorism** Beau Grosscup,1991 Used by the Armed Forces Not only analyzes the familiar but also the unfamiliar convincingly Publishers Weekly      **The Newest Explosions of Terrorism** Beau Grosscup,1998 An expert in international relations investigates the new sites of domestic and international terrorism developing in our midst as we approach the millennium Grosscup demonstrates that contrary to what we think what we don t know about terrorism is substantial elusive and dangerous Photo insert      **War on Terror, Inc** Solomon Hughes,2007 Surveying the activities of private contractors in the provision of frontline mercenaries security services guarding key installations and VIPs prisons and law enforcement media management and intelligence gathering at home and abroad Hughes demonstrated that the private sector and its army of lobbyists and salesmen are continuously lowering the practical and moral barriers to interventions of every kind from torture and imprisonment without trial to blanket surveillance of the civilian population and to outright war Meanwhile the state is evermore evasive when it comes to taking responsibility for the practices it authorizes via agreements drawn up under a veil of commercial privacy and remains as inept as it has ever been at procuring efficiency and value for money from its contracts      *Science Digest* ,1986      **Western Construction News and Highways Builder** ,1978

Oehmichen,2009 The present volume deals with terrorism both the legislative reactions to it and its impact on human rights It is argued that the preservation of human rights is vital for the prevention of terrorism encompassing state and non state terrorism alike Further the study shows that legislators tend to disregard fundamental human rights when confronted with terrorism They are terrorised themselves by the incident and risk to overreact After an historical account of selected pseudo terrorist movements throughout time and space an inventory of anti terror legislation in four European countries within the last forty years follows In this context the author examines the role of the judiciary with a special focus on the European Court of Human Rights in Strasbourg As a result we get a complex view on what happened with regard to terrorism and anti terrorism in different European countries in the past and is happening at present and what this means for human rights This allows us to put contemporary anti terror legislation into perspective How have different governments dealt with terrorism in the past How has the law developed after September 11th 2001 Which lessons can be learned and what can we expect in the future About this book This book is to be recommended since it discusses both the European choices in the fight against terror and their problems Sarah Baier in Newsletter Menschenrechte 2010 1
