Take Back America:

No More - Taking Back America Thomas Masters,2019-11-13 No More Taking Back America by Dr Thomas Masters

America Right or Wrong : An Anatomy of American Nationalism Anatol Lieven Senior Associate for Foreign and Security Policy Carnegie Endowment for International Peace,2004-10-15 America keeps a fine house Anatol Lieven writes but in its cellar there lives a demon whose name is nationalism In this controversial critique of America s role in the world Lieven contends that U S foreign policy since 9 11 has been shaped by the special character of our national identity which embraces two contradictory features One The American Creed is a civic nationalism which espouses liberty democracy and the rule of law It is our greatest legacy to the world But our almost religious belief in the Creed creates a tendency toward a dangerously messianic element in American nationalism the desire to extend American values and American democracy to the whole world irrespective of the needs and desires of others The other feature populist or what is sometimes called Jacksonian nationalism has its roots in an aggrieved embittered and defensive White America centered largely in the American South Where the Creed is optimistic and triumphalist Jacksonian nationalism is fed by a profound pessimism and a sense of personal social religious and sectional defeat Lieven examines how these two antithetical impulses have played out in recent US policy especially in the Middle East and in the nature of U S support for Israel He suggests that in this region the uneasy combination of policies based on two contradictory traditions have gravely undermined U S credibility and complicated the war against terrorism It has never been more vital that Americans understand our national character This hard hitting critique directs a spotlight on the American political soul and on the curious mixture of chauvinism and idealism that has driven the Bush administration American Lumberman ,1918 **American Exceptionalism and Civil Religion** John D. Wilsey,2015-11-22 The idea of America s special place in history has been a guiding light for centuries With thoughtful insight John D Wilsey traces the concept of exceptionalism including its theological meaning and implications for civil religion This careful history considers not only the abuses of the idea but how it can also point to constructive civil engagement and human flourishing **American Nurseryman** ,1920 **The American Community** James Albert Woodburn,Thomas Francis Moran,1924 *Transactions of the American Gynecological Society* American Gynecological Society,1921 *Commercial America* ,1918 **The American Missionary** ,1919 Vols 13 62 include abridged annual reports and proceedings of the annual meetings of the American Missionary Association 1869 1908 v 38 62 include abridged annual reports of the Society s Executive committee 1883 1884 1907 1908 **Foreigners Or Friends, a Handbook** Thomas Burgess,Charles Kendall Gilbert,Charles Thorley Bridgeman,1921 American Illustrated Magazine ,1912 *Character Counts* Michael Glenn Maness,2010-12 **The Story of American Democracy, Political and Industrial** Willis Mason West,1922 *American Boy* ,1913 **We; a Confession of Faith for the American People During and After the War** Gerald Stanley Lee,1916 **American Druggist and Pharmaceutical Record** ,1895 **American Sheep**
