The image shows a double-page spread of a time blocking planner template. Each page is titled "Time Blocking" and features a grid for scheduling. The grid is divided into four columns: "Date", "Time", "Event", and "Notes". The "Date" column is for the day of the week, "Time" for the hour, "Event" for the activity, and "Notes" for additional details. The template is designed for a spiral-bound notebook and includes a central binding area.

Time Blocking Planner 2025 Edition

Your Author Business Plan Joanna Penn,2020-12-10

You are an author You turn ideas into reality in the shape of a book You turn the thoughts in your head into valuable intellectual property assets You understand how powerful the written word can be Now it s time to use your words to create a business plan to take your writing career to the next level whatever that means for your situation I m Joanna Penn and I ve been a full time author entrepreneur for almost a decade In this book I ll guide you through the process of creating a business plan that will help you achieve your creative and financial goals It s relevant for fiction and non fiction authors as well as those who want to include other products services and income streams It s also applicable whether you re just starting out or if you already have a mature author business A plan helps at any stage of the journey Part 1 covers your business summary and author brand taking you through the process of deciding the overall direction for what you want to achieve and who you want to serve Part 2 goes into the production process around your writing publishing and licensing products and services Part 3 covers your marketing strategy and author eco system Part 4 goes into the financial side of your business from mindset to revenue and costs as well as paying yourself now and into the future The final chapter will give you a framework for simplifying your plan and turning it into achievable steps across a chosen timeline In each section I give examples from my own business plan and there are questions for you to answer templates and resources that might help along the way as well as example business plans for different kinds of authors It s time to take your author career to the next level Let s get started on your business plan Please note This book doesn t go into detail on how to do the specific topics for example how to self publish a book or how to do content marketing I cover those topics in my other Books for Authors If you already have my previous business book Business for Authors this is a rewritten and updated sub set of that material focusing on the specifics of a plan as opposed to everything involved in running a business This book acts as a companion as well as a more recent update to my own author journey It will help you bring it all together into a coherent plan that you can use to take your author business into the future
