Troubleshooting William Herman, Jeffrey M. Young, 1994-09-01 **Peripheral Visions for Writing Centers** Jackie Grutsch McKinney, 2013-04-15
Peripheral Visions for Writing Centers aims to inspire a re conception and re envisioning of the boundaries of writing center work Moving beyond the grand narrative of the writing center that it is a solely comfortable yet iconoclastic place where all students go to get one on one tutoring on their writing Grutsch McKinney shines light on other representations of writing center work Grutsch McKinney argues that this grand narrative neglects the extent to which writing center work is theoretically and pedagogically complex with ever changing work and conditions and results in a straitjacket for writing center scholars practitioners students and outsiders alike Peripheral Visions for Writing Centers makes the case for a broader narrative of writing center work that recognizes and theorizes the various spaces of writing center labor allows for professionalization of administrators and sees tutoring as just one way to perform writing center work Grutsch McKinney explores possibilities that lie outside the grand narrative allowing scholars and practitioners to open the field to a fuller richer and more realistic representation of their material labor and intellectual work *How to Succeed with Academically Underprepared Students* Lee Noel, Randi Levitz, 1982 *Journal of California Law Enforcement* ,1982
