saved The Power of 1(0) Denise Alexander Pyle,2018-02-22 The modern world can be a hectic confused place Every day we are bombarded with disparate discordant messages about what s right and what s wrong where we should go what we should have and who we should trust But what if there was a simple way to find harmony amid the discord What if there was a way to find guidance and direction that could help all of us make the world a better place In The Power of 1 0 author Denise Alexander Pyle invites us to consider the power and the promise of living by the Ten Commandments and the Golden Rule the ten and the one as we journey through life Each chapter discusses and expands on one of the Ten Commandments including a reference to the corresponding ten spheres or components on the kabbalistic tree of life The kabbalah is an ancient mystical belief system and teaching that emanated from Judaism and reveals how the universe and our lives work While many believe that it is the basis for Jesus s teachings in the New Testament no matter your religious or spiritual background The Power of 1 0 offers a pluralistic universal message that can encourage you to pursue your true purpose and attain true joy Whether you worship God Allah the Source the Creator the Universe or the Force we are all on this journey here together May the Ten Commandments and the Golden Rule be our guide in reaching for this unity together all as one The Power of 1 0 was chosen as one of the Spirited Woman top 12 book pick lists on www.thespiritedwoman.com
