True Spirituality Francis August Schaeffer, 1971 Francis Shaeffer had been serving as a pastor for over a decade when he began to wonder if Christianity really made a difference in people's lives True Spirituality a twentieth century spiritual classic outlines the result of his effort to start at the beginning and re-examine his faith The book is a treasure trove of wisdom for Christians trying to discover what true spirituality looks like in everyday life Includes a foreword by Chuck Colson and an introduction by Dr Jerram Barrs director of the Schaeffer Institute **SPIRITUAL GROWTH** Dr. K P

Sam, 2021-01-01 The book *Spiritual Growth Inevitable Truths* brings to light the fact that true spirituality is to accept and follow the biblical insights of spirituality It reveals the basic principle of God's Word that in order to experience God's presence one must uphold moral values It also includes the call to form a counter culture to Spiritual growth which is identifying daily with the character of Christ that is in line with God's expectation based on God's Word The 12 chapters of this book portrays the beautification of spirituality to discipleship and a holistic view of man's ultimate goal i.e eternity

True Spirituality Francis August Schaeffer, 1971 Francis Shaeffer had been serving as a pastor for over a decade when he began to wonder if Christianity really made a difference in people's lives True Spirituality a twentieth century spiritual classic outlines the result of his effort to start at the beginning and re-examine his faith The book is a treasure trove of wisdom for Christians trying to discover what true spirituality looks like in everyday life Includes a foreword by Chuck Colson and an introduction by Dr Jerram Barrs director of the Schaeffer Institute **Doctrine and Experience** Christopher Charles Zito, 2016-06-30 Should evangelical spirituality be grounded in doctrine experience neither or both If in one which and why not the other If in both how might the two co-exist without cancelling out each other's distinctives If in neither then what practical value does either have for the Christian life In this book the author has combined critical research pastoral awareness and thoughtful reflection to show how the radicalizations of doctrine and experience have not only polarized contemporary evangelicalism into two nearly irreconcilable camps but also has opened the door for a subtle but potent form of idolatry to creep into our midst In an attempt to purge these idols and bridge the gap this book contextualizes the biblical teachings and practices of our original spiritual instructors asking the double-edged question of what it means for us today that the Word of God is normative and that the Spirit is Lord The author concludes that evangelicals should seek an incarnate cross-centered spirituality that is informed by meticulous attention and obedience to sound doctrine but only as it is lived out in a deeply felt faith that is made perfect as we experience God daily in any number of ways **True Religion** W. Page Roberts, 1929 **An Evangelical Spiritual Theology** Jamin Goggin, 2025-11-21 What are the distinguishing markers of evangelical theology What does an evangelical account of spiritual theology look like In *An Evangelical Spiritual Theology* Goggin presents Donald Bloesch as a model of evangelical spiritual theology whose dogmatic project provides intriguing answers to these questions The doctrine of the Christian life definitively shapes Bloesch's theological identity and work For

Bloesch the Christian life is a materially distributed doctrine that is presupposed and pervasive throughout the whole of his theological system This emphasis on the Christian life establishes Bloesch s unique location as a spiritual theologian on the landscape of evangelical theology Goggin s monograph is the first exhaustive treatment of Bloesch s entire theological project Those interested in Bloesch s work will find it to be a rich resource to explore various dimensions of his dogmatic project
