Words For Friends To Live By:

Words for Friends to Live By ,2001-06-15 Mary Engelbreit knows that life truly has no greater blessing than a good friend In the third book in this new quote book series Mary looks at the subject of friendship collecting pearls of wisdom from scripture literature and folklore Along with these immortal words of others you ll find Mary s most famous friendship illustrations With such classic drawings such as We Have Been Friends Together in Sunshine and in Shade and Longfellow s Ah How Good It Feels the Hand of an Old Friend Mary Engelbreit captures the essence of friendship knowing better than any other contemporary illustrator that it is our friends who make our world Other Book in the Series Words to Live By Spring 1999 Words for Mothers to Live By Spring 2000 Friendship and the Moral Life Paul J. Wadell C.P.,1990-11-30 Friendship and the Moral Life is not simply a theoretical argument about how moral theology might be done if it took friendship more seriously Rather the book exhibits how without friendship our lives are morally not worth living The book begins with a consideration of why a new model of the moral life is needed Wadell then examines the ethics of Aristotle who viewed the moral life as based on a specific understanding of the purpose of being human with friendship being an important factor in enabling people to acquire virtues necessary for achieving this purpose Through the thought of Augustine Aelred of Reivaulx and Karl Barth the question is raised whether friendship is at odds with Christian love or whether their relation depends on one s narrative account of friendship Thomas Aquinas understanding of charity as friendship with God is examined to clarify this relationship By locating friendship within the story of God s redemption through Christ Wadell helps us see why friendship properly understood is integral to the Christian life and not at odds with it Such a friendship draws us to love all others who seek God and teaches us not to restrict our concern to a special few in preferential love The book closes by investigating how friendship as a model for the moral life might work in everyday life **The Friend** ,1879 **The American Friend** ,1900 **The life of John Duncan, with sketches of his friends [&c.]**.
