## Work Lesiure:

*Work, Leisure and Well-Being* John T Haworth, 2006-04-19 Although it is now well established that unemployment is detrimental to health and well being most of us assume that a well structured rewarding leisure activity would be preferable to paid work John Haworth challenges these assumptions and shows that the very constriction of work like having to perform a task we wouldn't otherwise choose are often the most rewarding in the end *Work Leisure and Well Being* reviews the current literature and complements it with the findings of the most recent research to provide a serious and fascinating study of the most important areas of adult life It raises as many questions as it answers for instance if paid work is better than a leisure activity what is the use of looking forward to retirement *Work Leisure and Well Being* will be of interest not only to psychologists but also to a wide range of professionals involved in social policy and the leisure industry Monthly Labor Review, 1980 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews

**Sociology** James Fulcher, John Scott, 2011-03-17 Sociology is relevant to current teaching and courses dealing with sociology as a living subject and incorporating the classic traditions of the discipline This new edition has been updated with a range of new case studies and additional chapters Land, Labour and Diet in Northern Rhodesia Audrey Isabel Richards, 1995 This reprint of a study by Dr Audrey Richards 1899 1984 describes the living conditions of the Bemba of North Eastern Rhodesia with special reference to the effects of migrant labour on the social and economic life of a mainly agricultural society Although primarily concerned with the production distribution and consumption of food and with conditions of labour and standards of living the book gives a vivid picture of the social structure of the Bemba their political organisation and the functions of the chief systems of land tenure kinship groupings and the whole complex of economic social and magico religious factors which arise in any community The book has been widely recognised as an authoritative study particularly among economists and anthropologists Child Life and the Curriculum Junius Lathrop Meriam, 1920
