Working For Change

Thomas K. Cheyne

Working For Change:

Work, Change and Workers Stephen Billett, 2006-06-22 This book aims to provide a fresh account of the changing nature of work and how workers are changing as result of the requirements of contemporary working life It also identifies implications for preparing individuals for work and then maintaining their skills throughout working life It does this by examining the relations between the changing requirements for working life and how individuals engage in work through an analysis that engages a range of disciplinary perspectives These include the psychological sociological philosophical and anthropological literatures as they relate to work and empirical research that represents both the perspectives of work and work practice as social institutions and as a vocation that individuals exercise with intentionality and agency This body of work is also used to identify implications for vocational education professional development and on going learning throughout working life This book is the product of a now long term project to understand contemporary working life and its implications for learning throughout working life Along the way it has benefited from a range of contributions It commenced with research from the early to the late 1990s that sought to understand how people learn through their work The Australian Research Council state government funding private enterprise sponsorships and the National Research and Evaluation Committee of the Australian National Training Authority supported these investigations as did the many workplaces and workers who contributed time insights and sometimes patience

Work, Change and Competition David Preece, Gordon Steven, Valerie Steven, 2002-03-11 This book presents an in depth study of organizational change and innovation in one of the UK s leading retail leisure companies Based on a remarkably deep level of access the authors provide a fascinating longitudinal study of the management process in action both the formal on stage aspects of strategic change and the informal political behaviour of those involved Subjects covered include the changing contexts of the public house business from management to managing change processes and politics control and empowerment gender and public house management Work Change and Competition will be essential reading for students of organizational change as well as all readers interested in the changing nature of management managing and organizations
