

The Apple TV+ logo is positioned at the top center of the image. It features the iconic Apple logo with a bite taken out of it, followed by the text "tv+" in a clean, white, sans-serif font. The background is a vast, desolate landscape under a hazy, orange-tinted sky, with a central figure in a long, flowing dress standing on a dark, rocky outcrop. Numerous vertical, metallic-looking structures with circular elements are scattered across the landscape, some appearing to be part of a larger structure or perhaps ancient ruins.

Internal Revenue Service,1976 **The Foundation** Joel L. Fleishman,2007-01-09 Foundations are a peculiarly American institution They have been the dynamo of social change since their invention at the beginning of the last century Yet they are cloaked in secrecy their decision making and operations are inscrutable to the point of obscurity leaving them substantially unaccountable to anyone Joel Fleishman has been in and around foundations for almost half a century running them sitting on their boards and seeking grants from them And in this groundbreaking book he explains the history of foundations tells the stories of the most successful foundation initiatives and of those that have failed and explains why it matters The baby boomer generation is going to participate in the largest transfer of wealth in history when it passes on its assets to its successor generation The third sector is about to become more powerful than ever This book shows how foundations can provide a vital spur to the engine of the American and the world s economy if they are properly established and run
