**The Ruby of Kishmoor** Howard Pyle,1908      **The Ruby of Kishmoor** Howard Pyle,2020-11-17 The Ruby of Kishmoor 1908 is a deceptively simple story by renowned author and illustrator Howard Pyle From the very beginning it concerns itself with the mystery behind appearances with all that lies hidden beneath the veil of a first glance You may never know what romantic aspirations may lie hidden beneath the most sedate and sober demeanor This is how the reader is introduced to Jonathan Rugg a young Quaker from Philadelphia who unwittingly stumbles onto the adventure of a lifetime In Kingston Jamaica to work as a merchant Rugg is an average unassuming man When Jonathan meets a woman veiled in silver fabric and shrouded in mystery she gives him a ball of ivory that carries with it a dreadful curse Meanwhile the fabled Ruby of Kishmoor has disappeared The pirate Captain Robertson Keitt a former merchant whose escapades in Africa and the Middle East have passed into legend has been murdered by his crew who suspected their captain of conspiring against them to steal the ruby As Rugg is plunged into peril a mystery unravels unlike any other Howard Pyle s *The Ruby of Kishmoor* is the tale of a man whose serious appearance conceals an abundant appetite for romantic adventure For the reader looking to satisfy a craving for adventure this is a work which rivals the better known classic of swashbuckling terror Robert Louis Stevenson s *Treasure Island* 1882 Curiously enough Pyle s student N C Wyeth would go on to illustrate a classic edition of Stevenson s work in 1911 and was certainly influenced by his teacher s well documented skill for painting pirates and scenes on the high seas *The Ruby of Kishmoor* written and illustrated entirely by Pyle is a book for children and adults alike With a beautifully designed cover and professionally typeset manuscript this new edition of Howard Pyle s *The Ruby of Kishmoor* is a thrilling work of adventure reimagined for modern readers      *Ruby of Kishmoor* Howard Pyle,2022-10      *The Ruby of Kishmoor*

will live on for generations to come      **The Ruby of Kishmoor, the Original Short Story (Large Print)** Howard Pyle, 2015-01-28 The remarkable adventure through which he at once reached the pinnacle of success and became in his profession the most famous figure of his day was the capture of the Rajah of Kishmoor's great ship The Sun of the East In this vessel was the Rajah's favorite Queen who together with her attendants was set upon a pilgrimage to Mecca The court of this great Oriental potentate was as may be readily supposed fairly aglitter with gold and jewels so that what with such personal adornments that the Queen and her attendants had fetched with them besides an ample treasury for the expenses of the expedition an incredible prize of gold and jewels rewarded the freebooters for their successful adventure      The Ruby of Kishmoor. Howard Pyle, 2018-04-28 Howard Pyle March 5 1853 November 9 1911 was an American illustrator and author primarily of books for young people He was a native of Wilmington Delaware and he spent the last year of his life in Florence Italy In 1894 he began teaching illustration at the Drexel Institute of Art Science and Industry now Drexel University After 1900 he founded his own school of art and illustration named the Howard Pyle School of Illustration Art Scholar Henry C Pitz later used the term Brandywine School for the illustration artists and Wyeth family artists of the Brandywine region several of whom had studied with Pyle 1 Some of his more notable students were N C Wyeth Frank Schoonover Elenore Abbott Ethel Franklin Betts Anna Whelan Betts Harvey Dunn Clyde O DeLand Philip R Goodwin Thornton Oakley Violet Oakley Ellen Bernard Thompson Pyle Olive Rush Allen Tupper True Elizabeth Shippen Green Arthur E Becher William James Aylward and Jessie Willcox Smith Pyle taught his students at home and studio in Wilmington which is still standing and is listed on the National Register of Historic Places      **The Ruby of Kishmoor : with Original Illustrations** Howard Pyle, 2020-01-19 A very famous pirate of his day was Captain Robertson Keitt Before embarking upon his later career of infamy he was in the beginning very well known as a reputable merchant in the island of Jamaica Thence entering first of all upon the business of the African trade he presently by regular degrees became a pirate and finally ended his career as one of the most renowned freebooters of history The remarkable adventure through which he at once reached the pinnacle of success and became in his profession the most famous figure of his day was the capture of the Rajah of Kishmoor's great ship The Sun of the East In this vessel was the Rajah's favorite Queen who together with her attendants were set upon a pilgrimage to Mecca The court of this great Oriental potentate was as may be readily supposed fairly a glitter with gold and jewels so that what with such personal adornments that the Queen and her attendants had fetched with them besides an ample treasury for the expenses of the expedition an incredible prize of gold and jewels rewarded the freebooters for their successful adventure Among the precious stones taken in this great purchase was the splendid ruby of Kishmoor This as may be known to the reader was one of the world's greatest gems and was unique alike both for its prodigious size and the splendor of its color This precious jewel the Rajah of Kishmoor had upon a certain occasion bestowed upon his Queen and at the time of her capture she wore it as the centre piece of a sort of a coronet which encircled her forehead and brow The seizure by the pirate of so considerable

a person as that of the Queen of Kishmoor and of the enormous treasure that he found aboard her ship would alone have been sufficient to have established his fame But the capture of so extraordinary a prize as that of the ruby which was in itself worth the value of an entire Oriental kingdom exalted him at once to the very highest pinnacle of renown Having achieved the capture of this incredible prize our captain scuttled the great ship and left her to sink with all on board Three Lascars of the crew alone escaped to bear the news of this tremendous disaster to an astounded world As may readily be supposed it was now no longer possible for Captain Keitt to hope to live in such comparative obscurity as he had before enjoyed His was now too remarkable a figure in the eyes of the world Several expeditions from various parts were immediately fitted out against him and it presently became no longer compatible with his safety to remain thus clearly outlined before the eyes of the world Accordingly he immediately set about seeking such security as he might now hope to find which he did the more readily since he had now and at one cast so entirely fulfilled his most sanguine expectations of good fortune and of fame Thereafter accordingly the adventures of our captain became of a more apocryphal sort It was known that he reached the West Indies in safety for he was once seen at Port Royal and twice at Spanish Town in the island of Jamaica Thereafter however he disappeared nor was it until several years later that the world heard anything concerning him One day a certain Nicholas Duckworthy who had once been gunner aboard the pirate captain s own ship The Good Fortune was arrested in the town of Bristol in the very act of attempting to sell to a merchant of that place several valuable gems from a quantity which he carried with him tied up in a red bandanna handkerchief
