Elmer Russell Gregor's *Running Fox* is a compelling exploration of Indigenous identity and cultural resilience set against the backdrop of the American frontier in the late 19th century. The narrative, characterized by Gregor's evocative prose, intertwines personal stories with broader historical contexts, showcasing the challenges faced by Native American tribes amidst encroaching colonialism. The novel's literary style employs rich imagery and lyrical descriptions, reflecting the spiritual connection between the characters and their land, effectively situating the work within the burgeoning canon of Native American literature of its time. Gregor, an author whose own heritage reflects a deep engagement with Native American issues, draws upon his personal experiences and thorough research to create an authentic voice for his characters. His fervent advocacy for Indigenous rights and cultural preservation is evident throughout the novel as he offers readers insights into the complexities of life in a rapidly changing world. This deep sense of empathy, paired with his literary craft, allows Gregor to tackle themes of loss, hope, and resilience with profound depth. *Running Fox* is highly recommended for readers seeking both an engaging historical narrative and a poignant reflection on cultural identity. It serves not only as a literary achievement but also as a vital contribution to the understanding of Indigenous experiences in America. Deering, 2025-09-30

It has been said that each of us has a journey. This is the journey of the Boy and the Girl. In Greenplant Village in the land of Sydo, there lived a young couple named James and Jackie, who called each other the Boy and the Girl. A week after they first came together, she was abducted from inside her home in the middle of the night by a poisonous monster named Agganis. She kicked its head in, and it angrily responded by magically trapping her inside a blue diamond, restraining her movement. It then flew itself with the blue diamond back to its black stone castle in the dark land of Mallad, where she would live as its servant. No human in planet Aroloft appeared mighty enough to take on the monster. James, the Boy, took the task upon himself to undertake a magnificent travel all throughout the planet Aroloft to follow the trail of venomous black slime that the monster was leaving behind itself at all times. He vowed to follow the trail all the way to its end, even if it meant venturing into the dark land of Mallad to defeat Agganis, shatter the diamond she was trapped inside, and bring her back home. By learning to awaken his seven chakras, he was able to take control of magic energy and complete his journey. With much faith in God, he refused to let evil win over
