## **Troy Game:**

Game On Tracy Solheim,2013-05-07 In the first irresistable sports romance in the Out of Bounds series the only way to win is to score With a reputation for fast moves on the gridiron and even faster moves off the field Shane Devlin was a player in every sense of the word Unfortunately his bad boy persona has made him a risky prospect as a quarterback and only the Baltimore Blaze are willing to give him a chance And he s about to take a hit he never expected Working for the Blaze Carly March knows too well how jocks think and what they think with so she s always made a point of keeping them at arm s length But when she shares a kiss with the devilishly handsome Shane she finds it hard to play by her own rules and even harder to resist him Can a football hero and a business minded beauty take it all the way Or will their mutual attraction cost them the big game

A God's Game Andrew Whyte,2023-12-18 Failure Abuse Loss Pain That is what Warterria brings that is what the remaining players of this deadly game have experienced And that is why so many are willing to do whatever it takes to win Every human in Warterria has their own life to live and they aren t willing to give up on it so easily With their dreams goals beliefs and desires on the line everything is coming to a head So with the final stage set it only makes sense for the self conscious Rift to challenge the condescending god Vokai to one more game A game between man and god that will decide the outcome of how everything else will go for the humans trapped in Warterria Will everything Rift learned and experienced be enough to topple a god or will centuries of godly gaming knowledge overwhelm this one human Will the humans finally be free of this gaming torment will the three gods finally proclaim one of them as the true god of games or will human unpredictability flip everything on its head in this heart pounding conclusion of a god s game

**Game Changers Volume 2** Rachel Reid,2024-03-25 Common Goal Veteran goaltender Eric Bennett has faced down some of the toughest shooters on the ice but nothing prepared him for his latest challenge life after hockey It s time to make some big changes starting with finally dating men for the first time Graduate student Kyle Swift moved to New York nursing a broken heart He d sworn to find someone his own age to crush on for once Until he meets a gorgeous distinguished silver fox hockey player Despite their intense physical attraction Kyle has no intention of getting emotionally involved He ll teach Eric a few tricks have some mutually consensual fun then walk away Eric is more than happy to learn anything Kyle brings to the table And Kyle never expected their friends with benefits arrangement to leave him wanting more Happily ever after might be staring them in the face but it won t happen if they re too stubborn to come clean about their feelings Everything they both want is within reach They just have to be brave enough to grab it Role Model The hits just keep coming for Troy Barrett Traded to the worst team in the league would be bad enough but coming on the heels of a messy breakup and a recent scandal Troy just wants to play hockey and be left alone He doesn t want to be in the news anymore and he definitely doesn t want to work on his online presence with the team s peppy social media manager Harris Drover can

tell standoffish Troy isn't happy about the trade anyone could tell frankly as he doesn't exactly hide it well but Harris doesn't give up on people easily Even when he's developing a crush he's sure is one-sided And when he sees Troy's smile finally crack through his grumpy exterior well That's a man Harris couldn't turn his back on if he wanted to Suddenly Troy's move to the new team feels like an opportunity for Troy to embrace his true self and for both men to surrender to their growing attraction But indulging in each other behind closed doors is one thing and for Troy being in a public relationship with Harris will mean facing off with his fears once and for all The Long Game Shane Hollander and Ilya Rozanov have been seeing each other for ten years and have kept it secret From friends from family from the league If Shane wants to stay at the top of his game what he and Ilya share has to remain secret He loves Ilya but what if going public ruins everything Ilya is sick of secrets Shane has gotten so good at hiding his feelings sometimes Ilya questions if they even exist The closeness the intimacy even the risk that would come with being open about their relationship Ilya wants it all It's time for them to make the call and decide what's most important hockey or love Originally Published in 2020
