Hear and Fear Moillah Ndoro,2015-02-20 The purpose of this book is to help you understand that hear and fear is a Principle of the Kingdom of God The Gospel of the Kingdom of God that Jesus Christ preached was all about repentance This book also contains very rich scriptural references that confirm that the Word of God is the name of God Revelation 19 1213 says His eyes were as a flame of fire and on his head were many crowns and he had a name written that no man knew but he himself And he was clothed with a vesture dipped in blood and his name is called the Word of God This book also helps us to understand that God is a Spirit therefore we should worship him in spirit and in truth As a believer refuse to be a destitute of the truth because before God there is no excuse This book also helps us to understand that we cannot replace the Gospel of the Kingdom of God repentance with the Gospel of Prosperity It does not work But seek ye first the kingdom of God and his righteousness and all these things shall be added unto you No time to waste Repent This book is also written for all those who are changing the truth of God into a lie because whether you like it or not the truth of God is the truth of God We cannot do anything against the truth but for the truth All we can do for the truth is to believe it Beloved brethren there is nothing new under the sun whatever you are going through in your life be it sickness disease poverty generational curses or bondage all is vanity of vanities It is only the mercies of God that are new every morning This book is for those who are willing to understand that we should fear God and keep his commandments for this is the whole duty of man because God shall bring every work into judgment with every secret thing whether it be good or whether it be evil Let the Church you and me be the true Church of God ruled by holiness and righteousness not by dollar power

God's Existence: Truth or Fiction? The Answer Revealed Gary R. Lindberg,2021-03-04 God s Existence Truth or Fiction The Answer Revealed By Gary R Lindberg Studying the existence of God Lindberg takes a different approach by investigating science as well as Christian research Lindberg s unique approach suggests that both science and the Bible were created by God and as a result the two say the same thing Lindberg s message will show that science itself proves the existence of God because of the evidence presented **The God's Honest Truth** Laird S. Ballard,2013-06-12 If you have ever wanted to believe in God in the face of so much that would say He doesn t exist this is the book for you On the scientific level The God s Honest Truth is just that a book of truth discussing what scientific proof is as opposed to what is mere science fiction regarding universal beginnings It deals with issues of six day creationism offers evidence for a worldwide flood and denounces evolution for what it is On a theological level it is a primer for contemporary biblical thinking teaching believers what the Bible says on the important issues of life It discusses why evil exists in the face of an all loving God and whether the fate of sinful man will be perpetual torture in the fires of hell Lastly it walks readers through such historical subjects as Christian participation in warfare slavery and speaks to the more current issues of abortion and gay rights Based strictly on biblical doctrines when rendering decisions it is meant as a guide through the ever changing customs and conceived morality of life on planet Earth **GOD'S TRUTHS vs. MAN'S LIES** Pastor Randy Pitts II,2018-01-03 God s truth is always found in His word God s Truths versus Man s Lies is a book of scriptural validation and verification It is impossible to know God s truth without knowing His word It s like a puzzle If you only have two or three pieces to a 200 piece puzzle can you truly

know what the puzzle looks like Of course not Well God s truth about various topics is the same way We must know all of His word or scriptural puzzle pieces about a subject before He wants us to apply our faith to His word That s why we are commanded to live by every word of God Matthew 4 4 Having all the pieces presents the honesty to God s truth Partial knowledge does not exact epignosis which is the Greek word for the full and complete knowledge That is why if we abide in His word we shall know the truth and the truth shall make us free John 8 31 32 So my friends without the truth all you have is the lie

God, I've Got a Question James Merritt,2011-10-01 James Merritt popular pastor author and host of the television show Touching Lives knows that when people wrestle with doubts they are missing out on the security promises and power of Christ Avoiding academic lingo Merritt presents relatable relevant responses to the hard questions that seekers and Christians hesitate to ask or answer Why is there so much suffering in the world if God is in control How can I discover God s will for my life Why is Jesus the only way to God and how can I defend this What should I do about the moral gray areas of my life Why should anybody believe the Bible Whether read straight through or used as a reference for specific topics this insightful resource reveals the uncompromised truths of the Christian faith and the depth and importance of its precepts for every person every life

Pure Truth from God Tony Cooper,2014-08-18 The Pure Truth from God answers the most profound question ever asked by humankind why should I believe in God when the Holy Bible chronologically dates the first man Adam to be only about 6000 7000 years old Yet scientists and archeologists have produced clear evidence that both humans and animals have existed on our earth for hundreds of thousands and even millions of years It s a question I asked myself many many times Not one Christian or religious person could ever give me the answer but God did The words you will read are not mine regrettably I am not capable The words you will read are the words given to me by Almighty God This is His book and I pray that the world will read it More importantly I pray that after reading it the world will fully understand and accept that God is the creator of all things and that Jesus Christ is the Messiah We are all seekers after the truth Most of us have asked who am I or why am I here and more specifically what is the reason for my being This book will not only answer these questions but much more and all from the word of Almighty God The Pure Truth from God removes the shroud of misunderstanding that runs rampant in our Christain church today Through the Holy Spirit this book explains Christainity with such clarity that can only come from Him So if you know non Christians then gift them this book it hopefully and prayerfully might just save their spiritual life Luke 12 16 20 And He spoke a parable to them saying The ground of a certain rich man brought forth plentifully And he thought within himself saying what shall I do because I have no room where to bestow my fruits And he said This I will do I will pull down my barns and build greater and there will I bestow all my fruits and my goods And I will say to my soul Soul thou hast much goods laid up for many years take thine ease eat drink and be merry But God said to unto him Thou fool THIS NIGHT thy soul shall be required of thee Then whose shall those things be which thou hast provided A burglar never tells us beforehand what time he will break into our home In the same way none of

us know when we shall die So please don t gamble on the greatest gift given to humankind the gift of eternal life Accept the words of truth in this book and accept Jesus Christ as your Lord and Savior Never did I want to be a Christian My experience of Christian churchgoers was to witness people behaving wonderfully on Sundays but abominably during the rest of the week Although I never wanted to be a Christian by God s grace and a miraculous series of events I became one and this book is the reason for it So I pray that you will understand and accept these words of Truth without delay because as our Lord states none of us know when our soul shall be required of us **But What About God's Wrath?** Kevin Kinghorn,2019-11-19 How can a loving God also be a God of wrath Using a philosophically informed line of argument and a careful study of the relevant biblical texts Kinghorn and Travis show how these two aspects of God s character can be reconciled Instead of assuming that God s just response to people is incompatible with a loving response the authors instead view God s love as a strictly essential divine attribute with justice as a derivative of love *The Search for the Truth of God* J.
