Truth Is A Fire:

Truth Is a Fire! Fritz Michel, 2005-04-04 How will you identify me as the true prophet 1 You will know if I m the true prophet based on the fruits that my labor will yield Because the word of God states You will identify a tree based on its fruits If the fruits that I will be carrying are no good you should cut the tree and throw it away along with all its fruits But there are a lot of people who when the fruits of the tree are not in their sole interests they will tell other people that the fruits of the tree are no good You must open your eyes and not allow people to tell you what is best for you You have enough good sense to know what is good and bad 2 If you see that the evils could defeat a so called prophet then this is not the prophet You must wait for another one The last prophet cannot be destroyed by anyone on Earth because he will have more power than any of the earlier prophets except Jesus Christ Furthermore he will have Jesus Christ in him If I am the true prophet then each time someone would plot to eliminate me he will end up eliminating himself If someone would want my death he would die seven times and I would have life seven times more Truth on Fire Clark H.
