

THE TEARS PROMISE

THE TEARS PROMISE
A NOVEL BY [Illegible]

Tsars Promise

Thomas Griffiths

Tsars Promise:

A Radical Worker in Tsarist Russia Semen Kanatchikov, Reginald E. Zelnik, 1986 Semen Kanatchikov born in a central Russian village in 1879 was one of the thousands of peasants who made the transition from traditional village life to the life of an urban factory worker in Moscow and St Petersburg in the last years of the nineteenth century Unlike the others however he recorded his personal and political experiences up to the even of the 1905 Revolution in an autobiography First published in the Soviet Union in the 1920s this memoir gives us the richest and most thoughtful firsthand account we have of life among the urban lower classes in Imperial Russia We follow this shy but determined peasant youth's painful metamorphosis into a self educated skilled patternmaker his politicization in the factories and workers circles of Moscow and St Petersburg and his close but troubled relations with members of the liberal and radical intelligentsia Kanatchikov was an exceptionally sensitive and honest observer and we learn much from his memoirs about the day to day life of villagers and urban workers including such personal matters as religious beliefs family tensions and male female relationships We also learn about conditions in the Russian prisons exile life in the Russian Far North and the Bolshevik Menshevik split as seen from the workers point of view

New York and the First World War Ross J. Wilson, 2016-05-06 The First World War constitutes a point in the history of New York when its character and identity were challenged recast and reinforced Due to its pre eminent position as a financial and trading centre its role in the conflict was realised far sooner than elsewhere in the United States This book uses city state and federal archives newspaper reports publications leaflets and the well established ethnic press in the city at the turn of the century to explore how the city and its citizens responded to their role in the First World War from the outbreak in August 1914 through the official entry of the United States in to the war in 1917 and after the cessation of hostilities in the memorials and monuments to the conflict The war and its aftermath forever altered politics economics and social identities within the city but its import is largely obscured in the history of the twentieth century This book therefore fills an important gap in the histories of New York and the First World War

The Patriarch and the Tsar William Palmer, 1876 *The Prophet* Isaac Deutscher, 2015-01-05 Few political figures of the twentieth century have aroused such intensities of fierce admiration and reactionary fear as Russian revolutionary Leon Trotsky His extraordinary life and extensive writings have left an indelible mark on the revolutionary consciousness Yet there was once a danger that his life and influence would be relegated to the footnotes of history Published over the course of ten years beginning in 1954 Deutscher's magisterial three volume biography turned back the tide of Stalin's propaganda and has since been praised by everyone from Tony Blair to Graham Greene In this definitive work now reissued in a single volume Trotsky's true stature emerges as the most heroic and ultimately tragic character of the Russian Revolution

Church and State in the Reign of Louis Philippe, 1830-1848 John Maudgridge Snowden Allison, 1916 Church and state in the reign of Louis Philippe 1830 1848
