The Intimate Way of Zen James Ishmael Ford, 2024-07-23. An intimate mystery encompasses you and tugs upon your heart: what does it mean to follow that tug across the arc of a spiritual life? Reflecting out of more than fifty years of practice in Zen Buddhism, Unitarian Universalism, and other contemplative traditions, James Ishmael Ford invites us into a journey through life's mysteries and the stages of spiritual development. Lightly structured by the archetypal Buddhist oxherding images, Ford's exploration is rooted in the Zen way while being deeply enriched by various strains of world mysticism. The book, sprinkled with insights and quotes from Buddhist, Daoist, and Christian traditions, serves as a map and a companion to spiritual seekers or pilgrims, whether within one religious tradition or cobbling together a way of one's own. Here is the most natural of all natural experiences, writes Ford: "In the midst of our suffering, our longing, our desperation, we capture a glimpse. Something touches us. And with that, if we are lucky and really notice some movement of some spirit within us, we turn our attention to the intimate way."

The Inner Way - The Power of Prayer and Belief in Spiritual Practice Alfred DeStefano, Mark Stavish, Paul Bowersox, 2014-10-24. The Inner Way: The Power of Prayer and Belief in Spiritual Practice is a rare treasure. Focusing on the traditional role of prayer in Western spiritual practices and its esoteric application, the inner method of prayer is revealed in detail, along with theurgy or the secret esoteric art of ritual prayer used by the Martinist and Rosicrucian societies. A detailed theurgic ritual to guide those new to this ancient art and practice is included, along with a look at the magical use of the Psalms in traditional healing and folk magic from both French and German sources. The critically important role of belief, including the power of suggestion, is made clear so that students of The Inner Way will learn how to turn their doubts into confidence and their confidence into results. Results that will lead to both temporal happiness as well as spiritual illumination. As one reviewer stated: "This book picks up where The Secret left off and tells us the real secret behind spiritual practices. A true blessing for those who read it and apply its teachings."
