Goodare, 2013-10-31 This book brings together twelve studies that collectively provide an overview of the main issues of live interest in Scottish witchcraft As well as fresh studies of the well established topic of witch hunting the book also launches an exploration of some of the more esoteric aspects of magical belief and practice **The Oxford Handbook of Witchcraft in Early Modern Europe and Colonial America** Brian P. Levack, 2013-03-28 A collection of essays from leading scholars in the field that collectively study the rise and fall of witchcraft prosecutions in the various kingdoms and territories of Europe and in English Spanish and Portuguese colonies in the Americas **Marks of an Absolute Witch** Dr Orna Alyagon Darr, 2013-07-28 This work explores the social foundation of evidence law in a specific historical social and cultural context the debate concerning the proof of the crime of witchcraft in early modern England In this period the question of how to prove the crime of witchcraft was the centre of a public debate and even those who strongly believed in the reality of witchcraft had considerable concerns regarding its proof In a typical witchcraft crime there were no eyewitnesses and since torture was not a standard measure in English criminal trials confessions could not be easily obtained The scarcity of evidence left the fact finders with a pressing dilemma On the one hand using the standard evidentiary methods might have jeopardized any chance of prosecuting and convicting extremely dangerous criminals On the other hand lowering the evidentiary standards might have led to the conviction of innocent people Based on the analysis of 157 primary sources the book presents a picture of a diverse society whose members tried to influence evidentiary techniques to achieve their distinct goals and to bolster their social standing In so doing this book further uncovers the interplay between the struggle with the evidentiary dilemma and social characteristics such as class position along the centre periphery axis and the professional affiliation of the participants in the debate In particular attention is focused on the professions of law clergy and medicine This book finds clear affinity between the professional affiliation and the evidentiary positions of the participants in the debate demonstrating how the diverse social players and groups employed evidentiary strategies as a resource to mobilize their interests The witchcraft debate took place within the formative era of modern evidence law and the book highlights the mutual influences between the witch trials and major legal developments Sex and Athe Single Witch Theresa Alan, Carly Alexander, Holly Chamberlin, 2005 Backfired love spells shifty warlocks and potions abound in this delightfully wicked trio of stories that includes Theresa Alan s *The Witch s Guide to Life RO* in which an artist and witch finds her creativity slowly waning when she catches the eye of a sexy ice hockey coach who loves her work Original Corpus of Mesopotamian Anti-Witchcraft Rituals Tzvi Abusch, Daniel Schwemer, 2016-04-18 Among the most

important sources for understanding the cultures and systems of thought of ancient Mesopotamia is a large body of magical and medical texts written in the Sumerian and Akkadian languages An especially significant branch of this literature centres upon witchcraft Mesopotamian anti witchcraft rituals and incantations attribute ill health and misfortune to the magic machinations of witches and prescribe ceremonies devices and treatments for dispelling witchcraft destroying the witch and protecting and curing the patient The Corpus of Mesopotamian Anti Witchcraft Rituals aims to present a reconstruction of this body of texts it provides critical editions of the relevant rituals and prescriptions based on the study of the cuneiform tablets and fragments recovered from the libraries of ancient Mesopotamia Now that we have the second volume we the more admire the thoughtful organisation of the entire project the strict methods followed and the insightful observations and decisions made Martin Stol in *Bibliotheca Orientalis* LXXIV n 3 4 mei augustus 2017 **Witchcraft, Conjuraction, Exorcism, and Other Assumed Dealings with the Devil** A. Elley Finch, 1887 *Index of Specifications and Standards*, 2001 The European Witch-Hunt Julian Goodare, 2016-05-12 The European Witch Hunt seeks to explain why thousands of people mostly lower class women were deliberately tortured and killed in the name of religion and morality during three centuries of intermittent witch hunting throughout Europe and North America Combining perspectives from history sociology psychology and other disciplines this book provides a comprehensive account of witch hunting in early modern Europe Julian Goodare sets out an original interpretation of witch hunting as an episode of ideologically driven persecution by the godly state in the era of the Reformation and Counter Reformation Full weight is also given to the context of village social relationships and there is a detailed analysis of gender issues Witch hunting was a legal operation and the courts rationale for interrogation under torture is explained Panicking local elites rather than central governments were at the forefront of witch hunting Further chapters explore folk beliefs about legendary witches and intellectuals beliefs about a secret conspiracy of witches in league with the Devil Witch hunting eventually declined when the ideological pressure to combat the Devil s allies slackened A final chapter sets witch hunting in the context of other episodes of modern persecution This book is the ideal resource for students exploring the history of witch hunting Its level of detail and use of social theory also make it important for scholars and researchers Irrigation in the North Atlantic States Augustus Jesse Bowie, 1906 *Irrigation in the North Atlantic States* Augustus Jesse Bowie (jr.), 1906 **An Examen of Witches** Henry Boguet, 1929 List of Inspected Electrical Appliances, 1928 **An Examen of Witches Drawn from Various Trials of Many of this Sect in the District of Saint Oyan de Joux, Commonly Known as Saint Claude, in the County of Burgundy, Including the Procedure Necessary to a Judge in Trials for Witchcraft** Henry Boguet, 1929 Notes on Witchcraft George Lyman Kittredge, 1907 *Notes and Queries*, 1909 **Essays** Henry Ignatius Dudley Ryder, 1911 **Letters on Demonology and Witchcraft** Walter Scott, 1887 **Early Private Libraries in New England** Franklin Bowditch Dexter, Samuel Swett Green, 1907 **The social background of the Reformation** Preserved Smith, 1920
