Frederick Charles Danvers,1905 **Prayer and Work for Israel** ,1919 Uniqueness of the Concept of Witness in Lukan Writings within the Biblical Canon Ervin Budiselić,2024-04-30 In an age of relativism tolerance and political correctness the church is called to walk in the footsteps of Christ As his witnesses we must reject all forms of coercion and violence while simultaneously refusing to shy away from the authority and conviction that come from carrying his revelation Dr Ervin Budiseli examines the concept of witnessing in the writings of Luke contextualizing it within the larger framework of Scripture s emphasis on revelation and testimony Like Judaism Christianity is a religion of revelation where specific content must be preserved passed on and proclaimed to others Dr Budiseli explores the communal nature of this calling as well as its pneumatological implications within Luke s writings Acknowledging the tendency within the Western church to emphasize moral transformation over physical he reminds readers that Jesus s kingdom ministry was accompanied by deeds as well as words He specifically engages the dangers of normalizing a gospel disconnected from the supernatural or the miraculous as partnership with the Holy Spirit was central to the calling given to the early church This book offers a prophetic message for the church today as it seeks to fulfill its calling to faithfully witness to the revelation of Christ **Israel** Denis Hanan,1889

Theology of the Old Testament Walter Brueggemann,2012-06-01 In this powerful book Walter Brueggemann moves the discussion of Old Testament theology beyond the dominant models of previous generations Brueggemann focuses on the metaphor and imagery of the courtroom trial in order to regard the theological substance of the Old Testament as a series of claims asserted for Yahweh the God of Israel This provides a context that attends to pluralism in every dimension of the interpretive process and suggests links to the plurality of voices of our time **Israel's Laws and Legal Precedents**
