Wolf In Shadow:

David Gemmell's Wolf in Shadow David Gemmell,1994 The first of David Gemmell's fantasy tales of Jon Shannow told in graphic novel format

Woven in Shadows Kristen Tassin, Some battles are chosen Hers was waiting the moment she opened her eyes Aurora Toussaint has always seen herself as the protector The rational one The steady friend But ever since the night of the vampire ball nothing in her life has felt steady not her memories not her body and definitely not the fate bound pull toward a man with secrets of his own Secrets surface Power stirs And fate begins to demand what it s owed Aurora is forced to confront the truth she is not who she thought she was Theo the man she finally let herself love isn't who he believed either And worst of all her soul is fractured To survive Aurora must navigate a world stitched with shadow and sacrifice As wolves close in and fate threads tighten she ll have to decide what it means to belong and what she s willing to risk to protect the people she loves This isn't the end of her story Because some threads can only be woven in darkness

Wolf in Night Tara K. Harper,2005-01-25 Tara K Harper's Wolfwalker novels are particular favorites of mine Anne McCaffrey Raised on a foreign world where telepathic wolves hunt in the mountains and mysterious aliens guard against the encroachment of humanity Nori has grown up scouting in the wilderness Like her mother before her she searches for dangers that could devastate the isolated towns scattered across the countryside But the wolves have already encountered those forces Now disturbed by the sense of death along the broken cliffs of Ariye they reach out to one who can help them Unsuspecting Nori answers the Grey Ones call only to find herself mentally bonded to a half grown ferocious wolf Spies and assassins stalk the scouts and wolfwalkers while a deadly threat once thought to be contained spreads across the land Caught between the wolves and the horror of plague and with hired hunters at her heels Nori is hounded deep into the wilderness to begin a journey that must end in victory or death

Wolf in Shadow Gemmell,1987 It is three hundred years since the world toppled on its axis and civilisation was destroyed In this world ruled by brigands and war makers a rider seeks a lost city Pursuing a dream to calm the violence in his soul Jon Shannow the brigand slayer desires only peace

The Wolf in the Whale Jordanna Max Brodsky,2019-01-29 If you liked American Gods by Neil Gaiman or Circe by Madeline Miller be sure to pick this one up Timeworn A sweeping tale of forbidden love and warring gods where a young Inuit shaman and a Viking warrior become unwilling allies in a war that will determine the fate of the new world There is a very old story rarely told of a wolf that runs into the ocean and becomes a whale Born with the soul of a hunter and the spirit of the Wolf Omat is destined to follow in her grandfather's footsteps invoking the spirits of the land sea and sky to protect her people But the gods have stopped listening and Omat's family is starving Desperate to save them Omat journeys across the icy wastes fighting for survival with every step When she encounters Brandr a wounded Viking warrior they set in motion a conflict that could shatter her world or save it

Wolf in Shadow David Gemmell,2009 Eventyrroman

The Twin Souls: Books 1 & 2 of the Eternity Series Holly Newhouse,2014-11-23 A person can have many soul mates in a lifetime but each person has

only one twin soul in each life This belief taught to me by my grandmother is one that has always filled me with wonder As a young child she often sat next to me in front of the fire blazing brightly in our tipi and spoke of the legend of the twin souls The legend is as old as creation itself It is said that as the creator was making human beings he was surrounded by souls to place in them The creator decided to take a single soul and split it in half creating twin souls He then took the two twin souls and touched them together as light as a butterfly s kiss The twin souls were then separated and placed respectively into man and woman The creator lightly touched them together so that when they meet one day they will recognize the other s soul as their twin This is because they have already met at the beginning of creation and will immediately feel as if they have known each other forever I am Sumanitu taka kici mani wiya which means she who walks with the wolf and live with my elderly grandmother Shetawahki who is a revered elder and medicine woman of the Lakota Sioux Nation and part of the Roaming Wolf Sioux Tribe

Cognitive Narrative Thematics Daniel Candel,2023-12-22 Cognitive Narratives Thematics proposes a new way in which narrative works organise their thematic material It rehabilitates the study of what books are about by providing a cognitive narrative thematic model CNT Part I presents CNT by combining different approaches to narrative such as evolutionary theory semiotics possible worlds theory or rhetorical criticism Part II applies CNT to a variety of well known narratives in different modalities such as Robert Browning s My Last Duchess Julia Donaldson s The Gruffalo Maurice Sendak s Where the Wild Things Are Frank Miller s 300 or Mike Mignola s Hellboy It also considers literary histories and digital humanities Daniel Candel shows that CNT deserves greater attention and that thematics generates its own forms and adds to the aesthetic pleasure of the text Candel illustrates that CNT improves the established interpretations of the narrative works it studies This innovative study reveals how CNT offers readers a deeper understanding and how readers and critics are often using CNT intuitively without being aware of it It is an invaluable resource for students and scholars of narrative theory
