Woman An Issue:

Woman: an Issue Lee R. Edwards, Mary Heath, Lisa Baskin, 1972 *Laws of Michigan Relating to Women* Michigan, 1920

A Woman's Issue Dorothy E. McBride, 1982 New Labour's Women MPs Sarah Childs, 2004-07-31 Drawing on interviews with over half of new Labour women MPs Sarah Childs reveals how the women experienced being MPs and explores whether they acted for and like women in constituencies in Parliament and in government **Report, Together with Copies of Commissions, Diagrams, Statistical Evidence, and Statistical Exhibits, &c** New South Wales. Royal Commission on the Decline of the Birthrate and on the Mortality of Infants in New South Wales, 1904 Women and Elective Office Sue Thomas, Clyde Wilcox, 2005-09-02 Since the publication of the first edition of this book former U S Senator Carol Moseley Braun's campaign for the presidency in 2004 and the widespread discussion of a run in 2008 by Senator Hillary Rodham Clinton have significantly raised the profile of women on the national political stage At the same time progress in electing women to the U S Congress and state legislatures has stalled The essays in *Women and Elective Office Past Present and Future* which feature research on women as political candidates and officeholders address this paradox Recruitment patterns media portrayals and voter reactions to women candidates are analyzed along with the impact of women in office relative to the challenges they face The 2nd edition includes increased coverage of women on the congressional level women officeholders of color and analysis of women parliamentarians worldwide In total *Women and Elective Office* offers a comprehensive look at the experiences and influence of women politicians today while considering women's prospects for political leadership in the twenty first century *The Comfort Women: Japan's Brutal Regime of Enforced Prostitution in the Second World War* George Hicks, 1997-10-17 The most extensive record available in English of the ugly story Elisabeth Rubinfein *New York Newsday* Over 100 000 women across Asia were victims of enforced prostitution by the Japanese Imperial Forces during World War II Until as recently as 1993 the Japanese government continued to deny this shameful aspect of its wartime history George Hicks's book is the only history in English regarding this terrible enslavement of women Woman's Suffrage Daniel De Leon, 1914 The Woman Citizen, 1918 *Comfort Women Activism* Eika Tai, 2020-08-04 *Comfort Women Activism* follows the movement championed by pioneer activists in Japan to demonstrate how their activism has kept a critical interpretation of the atrocities against women committed before and during World War II alive The book shows how the challenges faced by the activists have evolved from the beginning of their uphill battles all the way to contemporary times They were able to change social attitudes and get their message across Yet the ambiguous position of post World War II Japan's government which has consistently rejected any sign of guilt over its imperialist past has kept the activists on their toes Pivotal and serendipitous turning points have also played a crucial role In particular in the early 1990s the post Soviet world order assisted in creating the appropriate conditions for the movement to gather transnational support These conditions have eroded over time yet due to the activists fidelity to survivors the movement has persisted to this day

Tai uses the activists narratives to show the multifaceted aspects of the movement By measuring these narratives against scholarly debates she argues that comfort women activism in Japan could be called a new form of feminism A manuscript of this depth covering such a range of material about the comfort women movement has not previously been available in English I am deeply impressed by the author s scholarly commitment and humanitarian compassion The accounts provided in the book are particularly moving putting a human face on the transnational comfort women movement that has had a global impact Peipei Qiu Vassar College Eika Tai urges a postcolonial understanding of how activists in Japan came to embrace the issue of comfort women make it their own and engage on a transnational multigenerational effort Her book is an absolutely clear rejection of those who portray this historical topic as activism meant to hate Japan Instead she claims that this issue is at the heart of a divided Japan Alexis Dudden University of Connecticut

Woman's World ,1925 **Agricultural Advertising** ,1907 A Manual of Hindu Law Standish Grove Grady,1871 **The Woman's Medical Journal** ,1896

The Institutes of Gaius and Rules of Ulpian 130-178 Gaius,1895 **A Compendium of the Law of Property in Land and of Conveyancing Relating to Such Property** William Douglas Edwards,1904 The Southwestern Reporter ,1914 *The Northeastern Reporter* ,1892 **Woman of Power** ,1988 **Frontier Feminist** Marilyn S. Blackwell,Kristen Tegtmeier Oertel,2010 This comprehensive portrait of nineteenth century reformer Clarina Howard Nichols uncovers the fascinating story of a complex woman and reveals her important role in women s rights antislavery and westward expansion
