the establishment and development of Yenching University as the founding president in China Yenching founded in 1919 left a significant and lasting legacy to Chinese education It also contributed much to western studies on Asian culture with the Harvard Yenching Institute established in 1928 By collecting substantial relevant materials both at home and abroad both published and unpublished this book reveals the multidimensional and complex features of Stuart getting rid of the stereotype Academic and general readers interested in Stuart missionary education in modern China and modern Chinese history will be attracted by this book
