Changing Student Behaviors Mallery M. Collins, Don H. Fontenelle, 2000

Challenging Dominant Views on Student Behaviour at School Anna Sullivan, Bruce Johnson, Bill Lucas, 2016-05-20 This is a deliberately provocative book It critiques current student behaviour management practices seeks to explain the flawed assumptions that justify those practices and proposes how things could be better for children in our schools if different practices were adopted It is one of the few books to offer alternative ways of addressing the issues associated with student behaviour at school and exposes the field to serious and sustained critique from both a research perspective and a children s rights ideological stance The authors address the following questions What ideas dominate current thinking on student behaviour at school What are the policy drivers for current practices What is wrong with common behaviour approaches What key ideologies justify these approaches How can we present ethical alternatives to current approaches How can a human rights perspective contribute to the development of alternative approaches In exploring these questions and some ethical alternatives to the status quo the authors suggest practical ways to answer back to calls for more authoritarian responses to student behaviour within our schools In doing so the authors advocate for reforms on behalf of children and in their interests

Theory and Method in Higher Education Research Jeroen Huisman, Malcolm Tight, 2024-12-09 In this volume of Theory and Method in Higher Education Research the international authorship stemming from the UK Germany Belgium the Netherlands Austria Norway and Italy provide rich and varied forum for higher education discussions around issues of theory and method

50 Ways to

Improve Student Behaviour Annette Breaux, Todd Whitaker, 2011 *Disruptive Student Behavior in the Classroom* Kevin J. Swick, 1985 The purpose of this research report is to explore practices that teachers can use to respond to behavior problems in their classes Preliminary discussion focuses on understanding the context of student behavior and identifying student behavior problems early Positive responses to student behavior problems are discussed in terms of the following tips use a preventive approach establish fair limits set a positive example restore order when a problem occurs avoid delegating classroom management problems to others whenever possible locate the real problem change the classroom environment when necessary provide alternatives to undesirable behavior help students understand the consequences of their behavior make provisions for a time out help students modify their behavior use group counseling procedures to promote positive behavior avoid reinforcing negative behavior invite students to succeed in the classroom and know how to deal with pathological behavior Five teacher behaviors modeling designing interacting responding and assessing are discussed as ways of introducing students to a way of life in the classroom Concluding discussion concerns the influence of leadership style on student behavior the relations between curriculum and student behavior problems and student behavior problems and the community Nearly 120 references are cited RH *Improving Student Behavior* Thomas R. McDaniel, 1987 Examines the important educational issue of discipline in terms of theories and practices that can help teachers understand and deal with the dynamics of misbehavior Emphasis is given to an eclectic approach which emphasizes prevention and motivation Synthesizes major principles into two primers one on motivation and the other on management This section of the text provides a concise guide for practicing classroom teachers as they work to improve student behavior in their own classrooms

Calendar University College, London, 1901 *Understanding Classroom Behaviour* Maurice Balson, 1988 **Improving Student Behavior** Ami Braverman, 2019-03-15 What if you could use a handpicked set of tools to help children redirect their classroom behavior from dysfunctional to positive *Improving Student Behavior The Success Diary Approach* is a step by step guide to promoting your students personal development This book introduces *The Success Diary* a novel easy to use method for involving students in their own behavior modification plans Designed by an experienced school psychologist this guide consolidates approaches from various schools of behavioral intervention and integrates them into a streamlined adaptable framework for teachers looking to engage with children s unique personalities skills motivations and support systems to create lasting behavioral change Through these flexible common sense guidelines and activities you can empower your students to participate in working towards better behaviors and healthy social emotional development Check out the author s blog at <https://materialpsychology.com/blog> *Critical Classroom Behaviors of Teachers* A. S. Munandar, 1972 *Student Behaviour* Louise Porter, 2020-07-25 Behaviour management in the classroom and schoolyard is one of the most challenging aspects of teaching *Student Behaviour* offers a comprehensive overview of the major theories of behaviour management in primary and secondary schools illustrated with detailed case studies Porter outlines how teachers can develop a personal

approach to classroom management based on a sound understanding of theory The emphasis is on proactive approaches to discipline to assist students in achieving educational and social goals Porter also shows how to enhance students motivation and help students become confident and independent learners This third edition has been fully revised and updated to reflect the latest research and includes new material on collaborating with parents ethical issues dealing with bullying and helping students to be autonomous in their learning and behaviour Examples and references are drawn from current international research Student Behaviour is an essential textbook for preservice teachers and a valuable reference for more experienced teachers who want to improve their ability to cope with disruptive behaviour The style of writing is clear accessible and authoritative an ideal text for all teachers in initial and post experience training It treats its audience as intelligent and discerning provides a clear digest of a very wide range of published material and allows its readers to reach their own decisions about suitable and sensitively executed approaches that are likely to be of lasting value British Journal of Educational Psychology

Student Behaviour and Academic Performance. A Case Study Ebisa Bakana,2022-09-01 Case Study from the year 2022 in the subject Sociology Work Education Organisation grade 2 2 language English abstract The goal of any school is to create academically brilliant and behaviourally good students To ensure that it is better to know the relationship between behaviour and academic performance This action research was conducted to study the relationship between students behaviour and their academic performance at XYZ School To reach the target population the researcher selected all 45 grade 7 students and their teachers 10 purposefully Instruments of data collection were questionnaires interview and reviewing students previous disciplinary records from the supervisor s office The collected data were analysed and interpreted carefully The collected data regarding students behaviour changed into percentage and balanced with their class rank on a single sheet of paper
