Places of Childhood Fancy Michael G. Cornelius,Marybeth Ragsdale-Richards,2023-01-11 Many of us grew up exploring fascinating worlds in books films and most importantly our imaginations places filled with mythological characters and magical landscapes where we had stunning experiences punctuated by the harmless pleasures that any child s mind can conjure These worlds sometimes end up in our childhood fictions which have in turn shaped countless imaginations and childhood adventures The essays in this book attempt to comprehend the worlds of children s progressive fiction from how they are created to how they affect readers This book explores what happens when speculative genres fantasy horror and science fiction and imaginative spaces collide headlong with the realities and surrealities of modern childhood It moves back and forth between Oz Wonderland Redwall and Fear Street and explores series such as Nancy Drew Inkheart The Mortal Instruments the Miss Peregrine series and more Many of these works feature children who must save the day to stop the bad guy kill the monster complete the quest and rescue adults leading us to wonder if fantastic spaces in children s progressive fiction are really helping kids prepare to save the world rather than helping them temporarily escape it

The Chronicles of Chrestomanci Diana Wynne Jones,2001-01-09 In this multiple parallel universes of the Twelve Related Worlds only an enchanter with nine lives is powerful enough to control
