

Years With Ross

Joseph Bradfield Thoburn

Years With Ross:

The Years with Ross James Thurber, 2021-10-12 From iconic American humorist James Thurber a celebrated and poignant memoir about his years at The New Yorker with the magazine's unforgettable founder and longtime editor Harold Ross. Extremely entertaining life at The New Yorker emerges as a lovely sort of pageant of lunacy of practical jokes of feuds and foibles. It is an affectionate picture of scamps playing their games around a man who for all his brusqueness loved them, took care of them, pampered and scolded them like an irascible mother hen. New York Times. With a foreword by Adam Gopnik and illustrations by James Thurber. At the helm of America's most influential literary magazine from 1925 to 1951, Harold Ross introduced the country to a host of exciting talent, including Robert Benchley, Alexander Woollcott, Ogden Nash, Peter Arno, Charles Addams, and Dorothy Parker. But no one could have written about this irascible eccentric genius more affectionately or more critically than James Thurber, whose portrait of Ross captures not only a complex literary giant but a historic friendship and a glorious era as well. If you get Ross down on paper, warned Wolcott Gibbs to Thurber, nobody will ever believe it. But readers of this unforgettable memoir will find that they do. Offering a peek into the lives of two American literary giants and the New York literary scene at its heyday, *The Years with Ross* is a true classic and a testament to the enduring influence of their genius.

The Years with Ross James Thurber, 1957 At the helm of America's most influential literary magazine for more than half a century, Harold Ross introduced the country to a host of exciting talent, including Robert Benchley, Alexander Woolcott, Ogden Nash, Peter Arno, Charles Addams, and Dorothy Parker. But no one could have written about this irascible eccentric genius more affectionately or more critically than James Thurber, an American icon in his own right, whose portrait of Ross captures not only a complex literary giant but a historic friendship and a glorious era as well. If you get Ross down on paper, warned Wolcott Gibbs to Thurber, nobody will ever believe it. But readers of this unforgettable memoir will find that they do.

The Years with Ross James Thurber, 1959 **The New Zealand Official Year-book** New Zealand. Department of Statistics, 1925 **Letters from the Editor** Thomas Kunkel, 2009-07-08 These exhilarating letters, selected and introduced by Thomas Kunkel, who wrote *Genius in Disguise*, the distinguished Ross biography, tell the dramatic story of the birth of *The New Yorker* and its precarious early days and years. Ross worries about everything from keeping track of office typewriters to the magazine's role in wartime to the exact questions to be asked for a Talk of the Town piece on the song "Happy Birthday." We find Ross in Kunkel's words scolding Henry Luce, lecturing Orson Welles, baiting J. Edgar Hoover, inviting Noel Coward and Ginger Rogers to the circus, wheedling Ernest Hemingway offering to sell Harpo Marx a used car and James Cagney a used tractor, and explaining to restaurateur the stars Dave Chasen step by step how to smoke a turkey. These letters from a supreme editor tell in his own words the story of the fierce, lively man who launched the world's most prestigious magazine.

Saddlery and Harness, 1903 **Cardiac Problems in Pregnancy** Uri Elkayam, 2019-09-02 *Cardiac Problems in Pregnancy* offers clinicians the most detailed and comprehensive

guide to diagnosing and managing pregnancy associated cardiovascular diseases currently available Covering a wide spectrum of congenital and acquired cardiovascular conditions its extensive contents examine diseases of the heart with an expert awareness of the implications of pregnancy and the attendant physiological changes it brings Such guidance is vitally required in an age in which congenital and acquired heart diseases are the leading causes of non obstetrical maternal morbidity and mortality Featuring 36 new or extensively revised chapters this fourth edition of the book complements coverage of the latest research and clinical advances with a complete and up to date bibliography of literature on pregnancy in women with cardiovascular conditions It also serves as a practical step by step companion for those caring for heart disease patients during pregnancy labor and the post partum period Contents include Coverage of all elements of maternal cardiology Newly written chapters featuring fresh research and data Guidance on performing risk assessments and interventions both prior to and during gestation Explanations of a range of diagnostic and therapeutic approaches to cardiovascular disease in pregnant patients Drawing on expertise from across the fields of cardiovascular medicine obstetrics anesthesiology cardiac surgery pharmacology and clinical science Cardiac Problems in Pregnancy is designed to give invaluable support to all medical professionals involved in maximizing the safety and success of cardiologically complex pregnancies
