## **Yoruba Proverbs:**

*Yoruba Proverbs* Oyekan Owomoyela, 2005-01-01 *Yoruba Proverbs* is the most comprehensive collection to date of more than five thousand Yoruban proverbs that showcase Yoruba oral tradition. Following Oyekan Owomoyela's introduction which provides a framework and description of Yoruba cultural beliefs, the proverbs are arranged by theme into five sections: the good person, the fortunate person, or the good life, relationships, human nature, rights and responsibilities, and truisms. Each proverb is presented in Yoruba with a literal English translation followed by a brief commentary explaining the meaning of the proverb within the oral tradition. This definitive source book on Yoruba proverbs is the first to give such detailed systematic classification and analysis alongside a careful assessment of the risks and pitfalls of submitting this genre to the canons of literary analysis.

**BOOK JACKET** *Yoruba Proverbs and Their Contexts* Ayo Faleti, 2012-01-23 A collection of 215 Yoruba proverbs with literal translations into English and the proverb's context.

[Principles and Concepts of Yoruba Language and Yoruba Proverbs](#) J. S. Olaoye, 2012-06-30 Author J S Olaoye encourages the preservation of good heritage in his new book *Principles and Concepts of Yoruba Language and 1 122 Yoruba Proverbs* 2nd Edition. Chapter one deals with the basic principles guiding the writing and speaking of correct and modern sentences in Yoruba language. It begins by drawing people's attention to the recognition and pronunciation of the letters of Yoruba alphabet a b d correctly to the formation of syllables and difference between old and modern writings. The guide includes the composition of short sentences. Civilization seems to have brought corresponding challenges and possible changes on people's outlook and lifestyles. Among these challenges is the preservation of their native culture and language. There is a great potential of losing their skills to use their mother tongue. Thus author J S Olaoye releases his new book to solve and help prevent this problem from occurring. Chapter two gives and explains purposes for which Yoruba uses proverbs and chapter three provides the different types of proverbs that are used in different situations. Chapter four contains one thousand one hundred twenty two Yoruba proverbs each with a literal English translation. This fourth chapter ended the first edition of this book with only eight hundred sixty two Yoruba proverbs with the title *Yoruba Proverbs*. Chapter five contains the concept of calculation which brought about Yoruba numerals from one to five hundred followed by Yoruba calendar. The Yoruba calendar in turn brought to light different festival that formed up the concept of market days including weekly, monthly and yearly activities. Through *Principles and Concepts of Yoruba Language and 1 122 Yoruba Proverbs* 2nd Edition by author J S Olaoye parents or teachers will have perfect guide to teach their children or students the very basic skills in Yoruba language from A B D to proficient conversation and reading skills a step to preserve a great legacy.
