The Mix , 1998 The Gospel and Contemporary Christian Music Networking Guide , 2002 **Handbook for Multi-sensory Worship** Kim Miller, Ginghamburg Worship Design Team, 1999 In this book Kim Miller and the worship team of Ginghamburg Church share what they ve learned about how worship can touch and transform all of God s people drawing

them into a deepening experience of God's love and setting them on the path of Christian service and discipleship. While many books have discussed why new worship styles are necessary if churches are to reach the pre-Christian population of North America, too few have provided solid practical aids to planning and executing such worship. Here the reader will find inspiring calls to worship, amusing and illuminating dramas, meaningful corporate prayers, suggestions for uplifting music, and many other solid practical ideas on preparing for and executing worship in a contemporary key. The CD-ROM included with this book showcases a catalog of images that have been used as a part of the multi-sensory worship experience at Ginghamburg and includes a short introduction about how to incorporate visual images into a worship service.
