Understanding Communities:

Understanding Communities Frederick M. King, 1981 **Understanding Communities of School Leadership** Joseph F. Murphy, 2023-02-16 This book examines the evolution of schooling from bureaucracy and hierarchy to post industrial schools and places teachers leadership on center stage at the same time That is it asks teachers to deepen leadership in their classrooms and with other teachers The book carries education and schooling from formal control to a social influence process and addresses the deeply rooted difficulty of focusing too much energy on content It reveals the strong power of internal and external context and helps educators implant the idea of the school not as a fixed immutable home but as a relatively deep social process It shows how co leadership comes alive in schools Communities of schooling is one of the three most critical developments in education in the last 140 years When it is linked with the two other fundamental reorientations in schooling dispersed ownership and constructivist work it becomes the most powerful force in education since the 1700s This book shows how communities of schooling replace the earlier pillars of learning as telling hierarchy of control and non democratic influence The work also explains the meaning and understanding of school work as a social influence process where all school based educators exert power but at different levels The idea of enhancing individual and collective capacity through interdependency shared work and collective responsibility is unpacked **Understanding Community** Peter Somerville, 2016-04-25 This substantially revised edition of a highly topical text applies a critical approach to themes introduced in the first edition including economic development health and housing and draws upon theory from Marx and Bourdieu to offer a clearer understanding of community in capitalist society *Understanding Communities*, 1983
