Still Missing Chevy Stevens,2010-07-06 On the day she was abducted Annie O Sullivan a thirty two year old realtor had three goals sell a house forget about a recent argument with her mother and be on time for dinner with her ever patient boyfriend The open house is slow but when her last visitor pulls up in a van as she s about to leave Annie thinks it just might be her lucky day after all Interwoven with the story of the year Annie spent as the captive of psychopath in a remote mountain cabin which unfolds through sessions with her psychiatrist is a second narrative recounting events following her escape her struggle to piece her shattered life back together and the ongoing police investigation into the identity of her captor The truth doesn t always set you free Chevy Stevens s Still Missing is that rare debut find a shocking visceral brutal and beautifully crafted debut novel

Still Missing Chevy Stevens,2011-05-24 On the day she was abducted Annie O Sullivan a thirty two year old realtor had three goals sell a house forget about a recent argument with her mother and be on time for dinner with her ever patient boyfriend The open house is slow but when her last visitor pulls up in a van as she s about to leave Annie thinks it just might be her lucky day after all Interwoven with the story of the year Annie spent captive in a remote mountain cabin which unfolds through sessions with her psychiatrist is the second narrative recounting the nightmare that follows her escape her struggle to piece her shattered life back together the ongoing police investigation into the identity of her captor and the disturbing sense that things are far from over Chevy Stevens s Still Missing is a shocking visceral brutal and beautifully crafted novel about surviving the unsurvivable and living to bear witness

Pakistan Musa Khan Jalalzai,2018-07-09 Pakistan is teetering on the brink The country s staggering and lurching foreign policy has failed to evolve with changing political and geopolitical developments The army and ISI lack coherent and long term national security approach The prolixity of the Afghan war and participation of Pakistan s jihadist black water in it has blighted its social and political stratification Its domestic policies are in a grief stricken state The two states Islamic Republic and Military Establishment have adopted different foreign domestic and economic policies and view neighbouring states with different glasses The gradual radicalization of Pakistan army and its links with worldwide terrorist organizations over the last 70 years poses a grave danger to the country s nuclear installations in terms of insider attacks The spectrum of rogue and radicalized elements range from military officers to employees of Strategic Planning Division and officers of nuclear force These aspects have been elaborated by the author in this book The book can be an essential reading for every reader interested in Pakistan s nuclear program and its threat of falling into hands of rogue elements

Still Missing Beth Richardson Gutcheon,1981 Susan Selky suffers through the breakup of a marriage and then her sevenyear old son Alex vanishes on his way to school

War and welfare Barbara Hatley,2013-07-19 During the Second World War some 250 000 British servicemen were taken captive by either the Axis powers or the Japanese As a result of this their wives and families became completely dependent on the military and civil authorities This book examines the experiences of the millions of service dependents

created by total war The book then focuses on the most disadvantaged elements of this group the wives children and dependents of men taken prisoner and the changes brought about by the exigencies of total war Further chapters reflect on how these families organised to lobby government and the strategies they adopted to circumvent apparent bureaucratic ineptitude and misinformation This book is essential reading for both academic and general readers interested in the British Home Front during the Second World War

Stranger Danger Paul M. Renfro,2020 Stranger Danger examines the moral panic over child kidnapping and exploitation that erupted in the late 1970s and early 1980s It shows how several high profile cases of missing and murdered white photogenic children generated a national furor over child safety and led to the creation of new legal and cultural instruments designed to keep children safe and to punish those who ostensibly wished them harm
