is no longer to be feared or loathed the world s most popular and ubiquitous language has evolved into a respectable
language Whether you re writing frontend applications or server side code the phenomenal features from ES6 and beyond
like the rest operator generators destructuring object literals arrow functions modern classes promises async and
metaprogramming capabilities will get you excited and eager to program with JavaScript You ve found the right book to get
started quickly and dive deep into the essence of modern JavaScript Learn practical tips to apply the elegant parts of the
language and the gotchas to avoid JavaScript is a black swan that no one including the author of the language thought would
become a popular and ubiquitous language Not long ago it was the most hated and feared language you could use to
program the web JavaScript ES6 and beyond has gone through a significant makeover Troublesome features have been
replaced with better elegant more reliable alternatives This book includes many practical examples and exercises to help you
learn in depth It will not bore you with idiosyncrasies and arcane details intended for bad interview questions Instead it takes
you into key features that you can readily use in your day to day projects Whether you program the frontend or the server
side you can now write concise elegant and expressive JavaScript with newer features like default parameters template
literals rest and spread operators destructuring arrow functions and generators Take it up a notch with features like infinite
series promises async and metaprogramming to create flexible powerful and extensible libraries While the evolved features
of the language will draw you in the hundreds of examples in this book will pin the concepts down for you to use on your
projects Take command of modern JavaScript and unlock your potential to create powerful applications What You Need To
try out the examples in the book you will need a computer with Node js a text editor and a browser like Chrome installed in it
