and more powerful than most in her position but it's because of years of playing Luc's games learning how to work the system that has led her to be this way Nothing can stop her now when she is so close to being truly happy That was until Mr Casella showed up from an organization called the Guardsmen holding all the keys to unraveling the web of lies she lived on Now it is a race against time as Devrynn relives the horrible past the lessons she learned in blood trying to find a way to get out of being brought to justice for the death of her sire Will she find a way out of the trouble she's gotten into without the help of Luc or will she have to make another deal like so many that has led her to be The Devil's Angel *Christian Iconography: The Trinity.
