**The Shell Guide to England** John Hadfield,1970      *The New Shell Guide to England* John Hadfield,1981      *The Mammoth Book of British Kings and Queens* Mike Ashley,2012-06-07 This book includes more than 1000 monarchs who have at some time ruled all or part of Britain This includes the host of tribal and Saxon rulers prior to 1066 as well as famous monarchs such as Richard III Elizabeth I and Charles II and all the rulers of Scotland and Wales The book gives full details of the lives of the rulers as well as their wives consorts pretenders usurpers and regents and is a geographical guide to where all Britain s monarchs lived ruled and died including their palaces estates and resting places      A.A. Illustrated Guide to Britain Automobile Association (Great Britain),1977      A Brief History of British Kings & Queens Mike Ashley,2014-03-27

Here is the whole of recorded British royal history from the legendary King Alfred the Great onwards including the monarchies of England Scotland Wales and the United Kingdom for over a thousand years Fascinating portraits are expertly woven into a history of division and eventual union of the British Isles even royals we think most familiar are revealed in a new and sometimes surprising light This revised and shortened edition of *The Mammoth Book of British Kings Queens* includes biographies of the royals of recorded British history plus an overview of the semi legendary figures of pre history and the Dark Ages an accessible source for students and general readers      The British Library General Catalogue of Printed Books 1976 to 1982 British Library,1983      Looking North Dave Russell,2004-10 Investigating areas as diverse as travel literature fiction dialect the stage radio television feature film music and sport this book assesses the portrayal of the North of England within the national culture and how this has impacted upon attitudes to the region and its place within notions of Englishness The relationship between these cultural forms and the construction of regional identity has received only limited consideration and this fascinating work provides not only much new information but also a map for future writers The North although seen ultimately as other and the subject of much critical comment is also shown here as capable of stimulating the creative imagination and invigorating English culture in sometimes surprising ways      **A.
