Rasskazy Jeff Parker, Mikhail Iossel, 2009-09-01 Few countries have undergone more radical transformations than Russia has since the fall of the Soviet Union The stories in **Rasskazy New Fiction from a New Russia** present twenty three depictions of the new Russia from its most talented young writers Selected from the pages of the top Russian literary magazines and written by winners of the most prestigious literary awards most of these stories appear here in English for the first time What s new is the rhythm and snap of the hip modern contemporary voices that we would expect to hear rattling into a cell phone in the booth next to ours and the rendering of that voice into an English that s as idiomatic and confident as we imagine these speakers to be How fortunate we are that we now have **Rasskazy New Fiction from a New Russia** from the introduction by Francine Prose

Culture-Bound Translation and Language in the Global Era Aleksandra Nikčević Batričević, Marija Knežević, 2009-10-02 The title of this collection **Culture bound Translation and Language in the Global Era** suggests the wide scope and spirit of our culture and times The essays gathered here are divided under two headings Translation and Language five on each area making up Part One and Part Two of this book They examine in detail some of the problems implied by the interaction between translation language and culture while providing both breadth and depth to the cultural dimension an area which has strangely been neglected together with translation studies despite their recognized importance until the early eighties The authors insights into the complex phenomenon of cross cultural communication is as interesting as fascinating and perhaps even more so because the scholars who have contributed to this book come from various countries including Austria Bosnia and Herzegovina Italy Latvia Russia Serbia and Slovenia
