**The Hum of Angels** Scot McKnight, 2017. The majority of earth's inhabitants believe in angels. Yet many of us cannot claim to have seen one. Why? Perhaps it's because in order to encounter one, we first have to learn what to look for and how to look. We live in a world where the natural and supernatural overlap. Angels are constantly on mission from God and constantly at work in the world. From the Garden of Eden to the book of Revelation, Scripture is filled with hundreds of references to these wondrous creatures. In this creative work, Scot McKnight explores what the Bible says and doesn't say about these majestic beings.
