*Synopsis* William D. Forsyth, 1896      **Battles in the Promised Land** Jacob Haywood, 2024-03-11 Many Christians have the underlying belief that if they are truly following Jesus they will be exempt from suffering in this life As a result they are often surprised when they go through hard times and are likely to experience doubt hopelessness and anger toward God But what if God s chosen means of blessing was through suffering Would you choose that path Through the author s personal story of suffering the loss of his twin sister in the prime of her life and through biblical examples of sufferers who have gone before Haywood outlines in this book how God is faithful amidst our suffering and how the abundant Christian life here on Earth is still possible if we are willing to fight for it No matter the battle you are facing know this God is fighting with you going before you standing in front of you and guarding behind you Even in your suffering he is leading you to the abundant life he has promised Based on that reality you can view whatever situation you are in with hope      **Some Reasons of Our Christian Hope** Edward Thomas Vaughan, 1876      **Zion's Herald** , 1905      *Rise from the Dust* Philip Friday, 2020-10-21  
One of the most inevitable things about life is suffering In one of his final admonitions to his disciples before he ascended into heaven Jesus warned his disciples that in this world they will suffer You may be having the best time of your life with everything going according to plan when suddenly the dark dreadful clouds gather slowly caving in on you and suddenly the bright sunny day has given way to crumbling walls pain and suffering Rise From the Dust is written to encourage you in the darkest days and usher you into a place of endurance and hope      **Zion's Hope** , 1906      **Words of Hope and Comfort to Those in Sorrow** Mrs. Julius C. Hare, 1878      Trauma and Coping Mechanisms among Assemblies of God World Missionaries Valerie A. Rance, 2021-12-21 Trauma from the fall of Adam and Eve forward impacts human lives in overpowering ways A review of the lives of biblical personalities and missionaries reveals shared traumatic experiences In addition to the stress of cultural adjustment missionaries often live in contexts of violence political unrest economic instability natural disasters and relational conflict The examined biblical personalities faced similar issues yet a majority coped with trauma in ways that led to well being The proposed biblical theory of well being assists missionaries to move deeper in their trust of God by utilizing the coping skills of the biblical personalities including asking God for help lifting up their praise and worship to God standing on a sense of call working with God lamenting venting to God in healthy ways embracing a theology of suffering and accepting assistance from friends and family The adherence to the constructs of this theory protects missionaries from the ravages of psychological trauma by avoiding negative coping and developing positive
