Tillich's System:

The Concept of Correlation John P. Clayton, 2011-12-22 No detailed description available for The Concept of Correlation

The Cambridge Companion to Paul Tillich Russell Re Manning, 2009-02-12 This authoritative Companion to the theologian Paul Tillich provides an accessible account of the major themes in his diverse theological writings. It embodies and develops recent renewed interest in Tillich's theology and reaffirms him as a major figure in today's theological landscape.

Liminal Spaces and Ethical Challenges Christian Danz, Marc Dumas, Werner Schüßler, Bryan Wagoner, 2022-11-07 This collection moves from COVID to Kairos engaged with the legacy of Paul Tillich. Liminal spaces reflect ambiguous transitional moments in human consciousness and culture. In early 2020 cultures and states turned inward for protection exacerbating intertwined health, political, racial, justice, and economic crises. Tillich would have understood these overlapping challenges to be heralding a kairotic moment reflecting simultaneous crises and opportunities. The collected essays reflect on the intersections of COVID and Kairos. Authors engage numerous ethical challenges precipitated by the current Kairos moment, thinking through and with Tillich. Other essays offer reflections on our cultural moment, engaging topics from public health to video games to hate speech. Reflecting on the cultural moment, this collection offers unique insight into the Tillichian legacy for the present and future.

The System of the Sciences According to Objects and Methods Paul Tillich, 1981

Paul Tillich and Sino-Christian Theology Keith Ka-fu Chan, 2023-06-23 With contributors from different generations of the Chinese speaking world, the book addresses the relevance of Paul Tillich's thought in the Chinese cultural and political contexts. Appropriating and transforming different themes of Tillich's thought in the Chinese context, the contributors reframe the dialogue with Buddhism and Confucianism, religion and science, and religion and politics under the interpretation of Tillich's ideas. The thought-provoking essays examine the intellectual potentiality or further contribution of Paul Tillich's ideas in Sino-Christian Theology. The book will be of interest to scholars and postgraduate students studying Paul Tillich's thought, Chinese theology, and East-West religious dialogues.

Tillich's System Wayne W. Mahan, 1974

Being Versus Word in Paul Tillich's Theology / Sein versus Wort in Paul Tillich's Theologie Gert Hummel, Doris Lax, 2011-07-11

Paul Tillich and His System of Paradoxical Correlation Charles Amarkwei, 2020-05-05 This book shows the paradoxical mode by which Christians keep their faith in the Christian message as they relate with science. It reveals how Paul Tillich's method of correlation helps us to understand how Christians interact with science without necessarily conflicting, separating, and dialoguing and synthesizing with each other. It rules out natural theology but provides a non-eclectic theology of nature that frees Christians to be involved in science meaningfully and without undermining their faith.

Systematic Theology, Volume 1 Paul Tillich, 1973-09-15 This is the first part of Paul Tillich's three-volume Systematic Theology, one of the most profound statements of the Christian message ever composed and the summation and definitive presentation of the theology of the most influential and creative American theologian of the

twentieth century In this path breaking volume Tillich presents the basic method and statement of his system his famous correlation of man s deepest questions with theological answers Here the focus is on the concepts of being and reason Tillich shows how the quest for revelation is integral to reason itself In the same way a description of the inner tensions of being leads to the recognition that the quest for God is implied in finite being Here also Tillich defines his thought in relation to philosophy and the Bible and sets forth his famous doctrine of God as the Ground of Being Thus God is understood not as a being existing beside other beings but as being itself or the power of being in everything God cannot be made into an object religious knowledge is therefore necessarily symbolic **Dialogues of Paul Tillich** Mary Ann Stenger, Ronald H.

Stone,2002 The broad impact of Paul Tillich on present day philosophical theological thoughtforms especially of Protestant Christianity continues unabated into the new century Dialogues of Paul Tillich presents Tillich s conversations with past religious thinkers basic to Tillich s thought but also carries the dialogue beyond Tillich s own formulations into conversations with current issues regarding feminism liberation theology fundamentalism world religions and Christian realism The essays in Dialogues of Paul Tillich reflect and contribute to that conversation **The Ontological Theology of Paul Tillich** R.

Allan Killen,1956 **Paul Tillich's Philosophy of Culture, Science, and Religion** James Luther Adams,1965 An introduction to Tillich s thought *Tillich: A Guide for the Perplexed* Andrew O'Neill,2008-11-25 A new addition to the Guides for the Perplexed series this new book on Tillich will analyse clarify and connect the most central and difficult of Tillich s theological concepts **Tillich: A Guide for the Perplexed** Andrew O'Neill,2008-11-25 Part of the Guides for the Perplexed series this book analyses clarifies and connects the most central and difficult of Tillich s theological concepts

Key Ideas of Paul Tillich's CB Eisenbeis,1983-01-10 Keyed to the pages in the original English ed and the subsequent German translation English and German **The System and the Gospel; a Critique of Paul Tillich** Kenneth Hamilton,1963 *The Systematic Theology of Paul Tillich* Alexander J. McKelway,1964 Their desire for a bottle of orange pop on a hot day leads two boys into a series of troubles **Studia Spinozana** ,1993 **The Journal of Religion** ,1982 Includes section Book reviews Paul Tillich Raymond F.
