**6 Steps to a Sustainable Wardrobe** Summer Edwards, 2019-05-06 6 Steps to a Sustainable Wardrobe is the only complete step by step guide to take you through the steps you need to fully transition to sustainable fashion Eco fashion is not just about buying greener products We need to completely re imagine our relationship to fashion and the clothing we wear but we can still do it with our love of fashion and style intact For as long as we have worn clothes human beings have expressed their culture and identity through what they wear From colourful feathers and strings of shells to intricately woven textiles and strings of diamonds and pearls we love to adorn ourselves What we wear can be an expression of belonging and increasingly it can also be used as an expression of our individual identity and creativity But whether you wear clothing to differentiate yourself to blend in or simply for the sake of covering up and keeping warm in the modern world our clothing has significant environmental and social impacts which we cannot continue to ignore From forced labour in the cotton fields child labour used for embroidery and workers burning to death locked in factories to toxic dyes polluting water ways and synthetic fabrics creating the biggest source of micro plastic pollution in our oceans the way in which our clothing impacts the world is pervasive Some may say it is frivolous to pay too much attention to fashion I say it is frivolous to ignore it We all wear clothes And we can all do something to change what we wear for the better But simply substituting our old shopping habits for more eco conscious products is not enough The way in which we consume and discard clothing is unsustainable It needs to change This is where this book can help This book is your guide to changing your behaviours desires and habits so that you can create a truly sustainable wardrobe It will take you through the 6 logical steps you need to untangle yourself from throwaway fast fashion culture understand your wardrobe needs and plan your purchases sustainably Only the last of the 6 steps involves buying anything at all Sustainable fashion is a journey A series of small changes to your lifestyle that will add up over time All you need to do is take the first step Unlike other books about fast fashion and sustainability 6 Steps to a Sustainable Wardrobe is a practical guide that does not focus on the

problems in the fashion industry but rather the logical process for untangling ourselves from excess consumption and committing to a truly sustainable approach to fashion and style In this guide you will learn Your personal wardrobe habits and how these impact on sustainability The role of materialism and a consumer society in unsustainable habits The process for systematically decluttering your wardrobe in a sustainable way Challenges to help you live with a smaller wardrobe Tips to help you create a more coherent wardrobe that is timeless Sustainable wardrobe maintenance and repair knowledge How to plan a sustainable wardrobe within your budget including shopping sustainably on a small budget A comprehensive coverage of sustainable textiles How to assess the ethics of a fashion label s manufacturing and business practices What readers are saying Whether you are already an expert or you don t even know what eco fashion means 6 Steps to a Sustainable Wardrobe will equip you with everything that you need to know in order to become a conscious consumer of fashion Kamea Chayne Author of Thrive An environmentally conscious lifestyle guide to better health and true wealth If you re after pragmatic advice rather than eco bible bashing the 6 Steps to a Sustainable Wardrobe eBook and accompanying workbook is for you It will not only transform your wardrobe It will transform your relationship to stuff Jennifer Nini Founder and Editor of Eco Warrior Princess *Eco-Chic: A Guide to Stylish Upcycling and Repurposing DIY Projects* Catricia L Roberson, 2023-12-26 Dive into the world of sustainable style with Eco Chic A Guide to Stylish Upcycling and Repurposing DIY Projects This book is your passport to a fashion forward eco conscious lifestyle Uncover the secrets of turning ordinary items into chic treasures embracing the art of upcycling From runway inspired clothing to trendy home decor redefine your style and contribute to a greener planet Elevate your creativity reduce your environmental footprint and step into the realm of Eco Chic a guide that transforms fashion into a force for positive change **The Sustainable(ish) Living Guide** Jen Gale, 2020-01-09 Easy do able down to earth ideas and suggestions for everyone to help save the planet If you want to save the planet but your to do list is already pretty long and remembering your re usable coffee cup feels like a Herculean task then this is the book for you Covering every aspect of our lives from the stuff we buy and the food we eat to how we travel work and celebrate this book provides stacks of practical down to earth ideas to slot into your daily life alongside a gentle kick up the butt to put your newfound knowledge into action Practical tips include unsubscribing from all the tempting emails that drop into your inbox with details of the newest clothing range or the latest sale and keeping a mug next to your kettle to work out how much water you actually need to boil each time as over filling kettles costs British households 68 million on energy bills each year Find out how to fit sustainable living into your life in a way that works for you Change your impact without radically changing your life and figure out the small steps you can make that will add up to make a big difference halo not included *The Ultimate Prompt Engineering Guide* Engr.
