The Story of Your Dog Brandon McMillan, 2022-04-05 GET TO KNOW YOUR DOG Renowned expert dog trainer and bestselling author of *Lucky Dog Lessons* Brandon McMillan unpacks the unique and often misunderstood 15 000 year evolutionary history governing a dog's every move Most dog owners know the truth their dogs are totally incompatible with the modern world Instincts like herding chasing and protecting have no natural outlet and frequently result in chewing barking nipping jumping lunging and worse However as McMillan argues in these pages the solution isn't as simple as mastering sit and stay No matter what kind of dog you have no matter how old or young or well trained or well bred your beloved companion is strongly influenced by his DNA The result of these genetic distinctions shows up in every inch and action from the size and shape of a dog's head and the brain inside it to the length and curve of his tail from the texture of her fur to the webbing or lack of webbing between her toes It's in their lung capacity their tolerance for heat and cold their appetites for food and exercise and whether and how they bark It goes beyond their structure and deep into their psychological profiles Perhaps you're lucky enough to have a dog with more than a few breeds mixed in which makes this information all the more crucial to know and understand In *The Story of Your Dog* McMillan breaks down why your dog acts the way it does so you can train better and easier with fewer missteps and miscommunications and bond in ways you never

thought possible It is an invitation to get to know the sometimes frustrating but always incredible dog at the other end of the leash

Be Your Dog's Best Friend Katya Lidsky, 2025-08-15 Bonding with a dog is good for the animal and good for us Along the way to achieving the behaviors we desire from a dog we change our behaviors too taking us right to the intersection between dog guardianship and personal growth This how to bond book set against the backdrop of a true love story explores what happens when we prioritize the relationship with our canines over the results we get from them With a woven narrative that features various foster dogs as well as exercises to practice with your own dog it positions dog adoption as both a selfish and a selfless act Every dog has the capacity to help us be the best version of ourselves day after day and in bonding to improve the relationship with our pet we end up strengthening the relationship we really want the one with ourselves
