## **Your Right To Know:**

*Your Right to Know God* Emmanuel W. Ettouh,2014-12-04 This book underscores the natural right of all humans to know God Today we are told that God is irrelevant to our livelihood and we do not need God for anything This deception emanates from our lack of understanding of and about God In this book you will find insight into Who God really is How and why it is your right to know God The benefits of knowing God for the individual nation and the Christian How Science tells us more about God How you can know God on a personal level and the stages of knowing God How you can discover yourself in God and the blessed privileges we all have in Christ Jesus And many more Usually our understanding of God is too human and we end up misunderstanding Him and subsequently missing out on knowing Him This book is here to help you understand and know the true God who made you
