Zack Files 1 Zack Files 2:

Zack Files 30: It's Itchcraft! Dan Greenburg,2003-08-25 Zack is nervous about the fifth grade Halloween dance He doesn't know how to dance and he doesn't have a date When Zack meets Prudence a beautiful girl who speaks with a funny accent and dresses in old fashioned clothing he's smitten He thinks he's found the perfect date for the dance Prudence is so different from the rest of the kids he knows She's actually come from the past the year 1692 to be exact and she's fleeing the Salem witch trials Will Zack and Prudence even make it to the dance or will she have to return to the past Read on to find out

Zack Files 23: Greenish Eggs and Dinosaurs Dan Greenburg,2001-10-15 Zack bought a dinosaur egg at a flea market and it was not to go in a microwave **Zack Files 17: Yikes! Grandma's a Teenager** Dan Greenburg,1999-11-08 A strange trip through a metal detector causes Zack's eighty-eight year old Grandma Leah to get younger and younger

Zack Files 21: Don't Count on Dracula Dan Greenburg,2000-10-09 Strange things just won't stop happening to Zack One more out of this world adventures join this funny series about a 10 year old who's prone to paranormal problems Zack enters a horror film fan contest and he and his best friend win an evening with Mella Bugosi an aging horror film star with a Transylvanian accent It's not long before Zack notices Mella has some pretty odd habits he avoids sunlight at all costs he sleeps in a coffin and Zack hopes that's V 8 he's drinking Could good old Mella be an actual vampire **Assessment in Perspective** Clare Landrigan,Tammy Mulligan,2013 Assessment is an integral part of instruction For the past decade the focus on assessment particularly via high stakes mandated tests has shifted away from the classroom and left teachers feeling like they are drowning in data Assessment is and needs to be again much more than a number Assessment in Perspective is about moving beyond the numbers and using assessment to find the stories they tell This book helps teachers sort through the myriad of available assessments and use each to understand different facets of their readers It discusses how to use a range of assessment types from reading conference notes and student work to running records and state tests together to uncover the strengths and weaknesses of a reader The authors share a framework for thinking about the purpose method and types of different assessments They also address the questions they ask when choosing or analyzing assessments What type of tool do we need diagnostic formative or summative formal or informal quantitative or qualitative How do we use multiple assessments together to provide an in depth picture of a reader When and how are we giving the assessment Do we want to be able to compare our readers to a standard score or do we need to diagnose a reader's needs Which area of reading does this tool assess How can we use the information from assessments to inform our instruction What information does a particular assessment tell us and what doesn't it tell us What additional information do we need about a reader to understand his or her learning needs The book emphasizes the importance of triangulating data by using varied sources both formal and informal and across multiple intervals It explains the power of looking at different types of assessments side by side with displays to find patterns or inconsistencies What's more students are included as valuable sources of data Letting

students in on the process of assessment is key to helping them set goals monitor their own progress and celebrate growth When assessment is viewed in this way instruction can meet high standards and still be developmentally appropriate
