The Deadly Space Between:

The Deadly Space Between Patricia Duncker, 2011-03-01 Toby Hawk lives in a closed world consisting of school surfing the Internet and an incestuous relationship with his young mother When a mysterious man Roehm enters their lives and alienates mother from son the tormented teen turns to the Web for clues about this seductive predator **The Critical Difference** Barbara Johnson, 1985-03 Barbara Johnson investigates the significant and illuminating ways in which both literature and criticism are critically different from what they purport to be Her subtle and provocative studies of Balzac Mallarme Baudelaire Apollinaire Melville Poe Bathes Lacan Austin and Derrida take a refreshing new approach to the fundamental questions of meaning interpretation and the relationship between literature and criticism In each of seven essays a clear precise and detailed reading of the rhetoric of one of more literary or critical works reveals the text s fundamental discrepancies ambiguities and contradictions If rhetoric is seen as language s capacity to differ from literal statement and if to differ can also mean to disagree then the reading of the rhetoric of literature and theory here is an attempt to capture the logic of a text s own disagreement with itself Transpacific Imaginations Yunte Huang, 2008-02-28 Transpacific Imaginations is a study of how American literature is enmeshed with the literatures of Asia The book begins with Western encounters with the Pacific Yunte Huang reads Moby Dick as a Pacific work looks at Henry Adams s not talking about his travels in Japan and the Pacific basin in his autobiography and compares Mark Twain to Liang Qichao Huang then turns to Asian American encounters with the Pacific concentrating on the Angel Island poems and on works by Theresa Hak Kyung Cha Lawson Fusao Inada and Araki Yasusada Huang s argument that the Pacific forms American literature more than is generally acknowledged is a major contribution to our understanding of literary history The book is in dialogue with cross cultural studies of the Pacific and with contemporary innovative poetics Huang has found a vehicle to join Asians and Westerners at the deepest level and that vehicle is poetry Poets can best imagine an ethical ground upon which different people join hands Huang asks us to contribute to this effort by understanding the poets and writers already in the process of linking diverse peoples Ways of Belonging Francesca Meloni, 2023-10-13 Ways of Belonging examines the experiences of undocumented young people who are excluded from K 12 education in Canada Through rich ethnographic descriptions this book vividly shows how ambivalence and invisibility shape both the lives of young people and institutional attitudes toward them **Beazley's Design and Detail of the Space Between Buildings** A.
