Taxi Drivers London:

How to Be a 1960s London Taxi Driver Ian Mossey, Neil Mossey, 2018-08-13 My Dad s a London taxi driver A cabbie Licensed Owner Driver of a black taxi That s silver Except he s stopped driving now Taxi drivers don t retire They just stop driving And hand in their precious Green Badge You don t get a leaving gift and goodbye card even after serving Londoners for over 50 years But he pounded the streets of London for money And I knew it was hard getting that licence that Green Badge When he stopped driving I suddenly realised that I had no idea exactly how hard Or how he got there Or why And I ve got kids I know they will ask me about him or look him up in the future So in the Summer of 2018 I set up a camera and we had a chat Ian covers what it was like to pass The Knowledge the toughest road test in the world to memorise every street building and place of interest in London Getting the Green Badge Hiring and buying a London black taxi cab How London s licensed taxi radio circuits worked and how to join them plus the tricky odd and weird customers he s faced over the years I hope this helps anyone in the future researching the London Licensed Taxi Cab Trade Black Taxis and private hire cabs in general or even public transport in London Thanks for coming along for the ride *Abstracts of Black Cab Lore* Sean Farrell, 2018-11-04 For four hundred years London taxi drivers have been serving the capital in one form or another From hackney coaches to Hansom cabs from taxicabs to black cabs the vehicles may have evolved but the driver has remained basically the same But who were the men who drove those cabs London s taxi drivers are continually voted the best in the world each one of them having gone through the hardest test The Knowledge but very little is known about those who got us where we are today This book seeks to remedy that situation Now the history of the trade from the driver s perspective is told for the first time Hundreds of stories compiled from a variety of sources give a more intimate point of view than has ever been seen before Enjoy but most of all Be Lucky **London Taxi Driver Slang** Graham Gates, 2011 A witty and original insight into London its landmarks and the language of its world renowned cab drivers **Taxicab Regulation** United States. basic routes all of the 25 000 streets that are scattered within the basic routes and approximately 20 000 landmarks and places of public interest that are located within a six mile radius of Charing Cross This book breaks the test down into a series of head scratching questions and features enough trivia about the capital to surprise even born and bred Londoners It is the perfect gift for anyone who thinks they know London inside out or wants to learn more
