Each unit contains exercises for you to practise what you have learnt and there is a key at the back of the book for you to check your answers. The new page design in this edition means that the book is even easier to use and the main headings are in English so that you can find your way around the book quickly. This edition contains a 'taking it further' section which will direct you to further sources of real Welsh. Essential Welsh Grammar will help you to understand and manipulate Welsh grammar with confidence because you need no prior knowledge of grammatical terminology to use it.
